Approve and execute an application for the destruction of various records.

Summary Text:

The Special Services unit of the Financial Services Division of the Sheriff's Office has identified several boxes of old records that are no longer necessary for operations. The records include phone records, bail bond and fine receipts, inmate money receipts, county receipt books and expenditures authorization copies from 2003 to 2005. The basic information on these records are retained electronically in the County's Financial Information Network (FIN). These records are deemed to have no further administrative, legal or fiscal value.

Background:

California Government Code Section 26202 allows the Board of Supervisors to authorize the destruction of records that are more than two years old. *"the retention of any such record, paper or document is no longer necessary or required for county purposes."*

Budgeted: Yes

Fiscal Analysis:

Narrative: The adopted budget for the Sheriff's Office for FY2012-13 accounts for the cost of this action in LI 7650.
