County Counsel Concurrence

As to form: Yes

Other Concurrence: N/A

As to form: N/A

Auditor-Controller Concurrence

As to form: Yes

Recommended Actions:

That the Board of Supervisors:

- a) Approve and authorize the Chair to execute an Acceptance of Award Nos. 2642BASE-F and 2642BASE-S for the Tuberculosis (TB) Control Local Assistance Funds with the California Department of Public Health (CDPH) TB Control Branch to enhance current efforts to prevent, control and eventually eliminate TB in Santa Barbara County. This award, in the amount not to exceed \$114,290, is for a period of performance from July 1, 2026, through June 30, 2027;
- b) Approve and authorize the County Health Director, or designee, to make any required certifications in accordance with Award Nos. 2642BASE-F and 2642BASE-S; and
- c) Determine that the recommended actions do not constitute a "Project" within the meaning of the California Environmental Quality Act (CEQA), pursuant to Section 15378(b)(4) of the CEQA Guidelines, because the actions consist of the creation of a government funding mechanism or other government fiscal activity, which does not involve commitment to any specific project which may result in a potentially significant physical impact on the environment.

Summary Text:

This item is on the agenda to accept funding for the County Health Department’s Tuberculosis (TB) Control Program for fiscal year July 1, 2026, through June 30, 2027, in the amount of \$114,290 (Attachment A). The California Department of Public Health (CDPH) TB Control Branch has awarded these funds to assist Santa Barbara County to enhance the capabilities of TB prevention and control activities in Santa Barbara County.

Discussion:

Our local TB Control Program works closely with the CDPH TB Control Branch and the medical community within Santa Barbara County to control and eliminate tuberculosis. The State’s TB Control Branch funds are used to support TB control activities and will be used in accordance with State policies and procedures.

Acceptance of award numbers 2642BASE-F and 2642BASE-S with CDPH will allow County Health to continue providing TB control activities from July 1, 2026, through June 30, 2027.

Background:

TB control is a core public health function to both treat individuals who are infected with TB and to protect the health of the community by preventing the spread of TB. The purpose of this annual TB funding is to assist the current efforts of local TB programs to prevent and control TB in California.

Santa Barbara County, a medium morbidity jurisdiction, encounters an average of 20 active TB cases per year. TB control remains a public health concern and priority. For each TB case encountered, the CHD’s Communicable Disease Control and Prevention staff may investigate and screen an average of 15-20 contacts per case in a typical household setting. In congregate settings, where extensive exposure has occurred, contact counts are significantly higher.

Fiscal and Facilities Impacts:

TB Local Assistance funding is included in the Fiscal Year 2026-2027 Budget. Funding for this award consists of both State (funding period 7/1/2026 – 6/30/2027) and Federal funds (funding period 7/1/2026 – 12/1/2026).

These awards replace the previous FY 2025-26 2542BASE-F and 2542BASE-S award for \$144,041, ending June 30, 2026.

Fiscal Analysis:

Funding Source	FY 2026-27	Total
State	\$61,960	\$61,960
Federal	\$52,330	\$52,330
Total	\$114,290	\$114,290

Special Instructions:

Please return executed Acceptance of Award and Minute Order to the County Health Contracts Unit at PHDGROUPContractsUnit@sbcphd.org
