Dear Supervisors,

We are the Isla Vista chapter of the Surfrider Foundation, a coalition of students passionate about protecting the coastline and beaches of Santa Barbara County.

We are concerned about the potential restart of the pipeline owned by Sable Offshore Corp. As students at UCSB and environmental leaders, we believe in the importance of standing up against offshore drilling.

Please protect the safety and future of Californians by NOT allowing Sable Offshore to restart the pipeline in Santa Barbara County.

Sincerely,
Isla Vista Surfrider
