All of the members of the current board ran for election at the current pay rate.

You probably also get medical benefits from the county?

Retirement benefits?

Why do you think your pay should be increased more than county staff? Or, more than non government employees.

I ask that you choose a far more moderate pay increase.

Hello
I want to send a protest to the disgustingly enormous raise being proposed for the SB Board of Supervisors. It is obscene to even suggest such a raise to "public servants". No. No. No. No raise. And NEVER a raise as high as this.

Please serve the people.

Sincerely
Susan M Connors

Please forward this email to Capps as I am a voting member of the public in the 2nd district.

I strongly suggest you vote against and such raise.. the monies and benefits provided to these elected officials is extremely generous as is!
