# Future Action to Address Potential Shortfall

- Review emergency shelter capacity by early 2027
- Take one or more actions as necessary
  - Identify County-owned site(s) for emergency shelters
  - Extend existing contracts for emergency shelters
  - Amend LUDC and/or CZO to allow emergency shelters ministerially

# PROPOSED AMENDMENTS

# Objective Standards

1. Sufficient parking
2. Size/location of waiting/client intake areas
3. Onsite management
4. Proximity to other emergency shelters

# Definitions

- Emergency Shelter: “... may include other interim interventions, including but not limited to, navigation centers, bridge housing, and respite or recuperative care.”
- Low Barrier Navigation Center: “... non-congregate and relocatable.”

# Environmental Review

- CEQA Guidelines Sections 15061(b)(3) and 15265
  - No significant environmental impacts

# Recommendations

1. Make the required findings for approval (Attachment A)
2. Determine the project is exempt from CEQA (Attachment B)
3. Approve the Emergency Shelter Zoning Ordinance Amendments by adopting the ordinances (Attachments C and D)
4. Adopt a resolution (Attachment H) authorizing P&D to submit the coastal amendments to the California Coastal Commission
5. Direct P&D to transmit the adopted resolution to the Coastal Commission
