- b) Approve, ratify and authorize the Chair of the Board to execute a Professional Services Agreement, not to exceed \$40,000 with Santa Barbara Alliance for Community Transformation (SB ACT) for planning, coordinating, and operating the Santa Maria/Santa Barbara County Continuum of Care (CoC) Lived Experience Advisory Board (LEAB) during the period June 1, 2025 to January 31, 2026;

Summary Text:

Staff is requesting that the Board of Supervisors approve, ratify and authorize the Chair to execute two HHAP-3 funded Professional Services Agreements with local community-based homeless service providers that provide a funding bridge to sustain two essential CoC advisory board operations: The Lived Experience Advisory Board (LEAB), and the Youth Advisory Board (YAB). Both groups require ongoing coordination, planning, and facilitation by skilled and knowledgeable community partners to fulfill requirements that the CoC maintain an inclusive structure and demonstrate the involvement of specialized populations in service delivery, decision-making, and homeless services program planning.

Discussion

Staff recommends approval of a new agreement and funding with SB ACT to continue LEAB operations beyond the current PSA term end date and ensure that people with lived experience of homelessness continue to be meaningfully involved, not only in development of plans and strategies to address homelessness, but also in their implementation. Doing so will help ensure that strategies are effective and person-centered from the user experience perspective, which is a HUD directive to Continuums of Care (CoCs). The County's next state HHAP funding program application will include a proposed new allocation of those resources to support this ongoing partnership after this recommended bridge funding expires to continue the LEAB's essential work supporting the CoC.

Background:

The State awarded \$2,698,534 in Homeless Housing, Assistance and Prevention Round 3 (HHAP-3) program funds to the Santa Maria/Santa Barbara County CoC, and \$2,518,632 in HHAP-3 funds to the County of Santa Barbara, for a total of \$5,217,166. Today's agenda item obligates \$79,750 for eligible activities under HHAP-3 Systems Support out of the \$853,726 allocated from both CoC and County grants to this purpose.

The Community Services Department (CSD) acts as the lead agency for the CoC. In this role, CSD applies for U.S. Department of Housing and Urban Development (HUD) and State of California Department of Housing and Community Development (CA-HCD) funding to support the delivery of housing and services to homeless and formerly homeless individuals, and implements CoC Program activities in Santa Barbara County.

The YAB has convened since 2018 as a group of Santa Barbara County community leaders between the ages of 14-24 engaged in issues of youth homelessness and meeting the needs of transitional-aged youth, and functions as a subcommittee of the CoC. Fighting Back Santa Maria Valley (FBSMV) has provided crucial assistance in its role of planning and carrying out the activities of the HUD Youth Homelessness Demonstration Program (YHDP), which included operating the YAB. The recommended funding will enable ongoing FBSMV-facilitated YAB operations that would otherwise terminate due to the March 31, 2025 term end date of the YHDP Planning Grant. The County's next state HHAP funding program application will include a new allocation of those resources to support this ongoing partnership for inclusive, youth-centered homeless services program administration that is essential to the continued work of the CoC.

Separately, LEAB formation was authorized by CoC Board action on November 2, 2023 in response to both state and federal programs' enhanced requirements for soliciting the input of people with lived experience of homelessness into homelessness planning, policy development, and implementation. SB ACT was selected by a CSD Request for Proposals (RFP) issued April 16, 2024 to:

1. Assist with recruitment of core groups of participants in south and north county;
2. Act as a payroll administrator for the core participants;
3. Ensure all non-core participants receive gift card compensation, and
4. Provide technological assistance as needed.

A Professional Services Agreement (PSA) was established between CSD and SB ACT in May 2024 with a Period of Performance ending on June 30, 2025.
