SELECTION CRITERIA

EACH PROPOSAL WAS EVALUATED ON KEY FACTORS:

- MINIMUM QUALIFICATIONS
- SUITABILITY TO PURPOSE
- QUALITY
- PRIOR EXPERIENCE
- PRICE
- ABILITY TO DELIVER

New Provider

California Forensics Medical Group

- 32 Years providing health care services in the State of California in both adult and juvenile facilities.
- 28 Counties currently under contract. Average tenure is 15 years.
- Only 8 contracts lost during 32 years. 7 returned to CFMG
- Entire Executive team based in California
- Extremely low turnover rate and shift vacancies.
- 163 successful IMQ accreditations processes in California

Staffing Model

The Sheriff's Office and Probation Department will seek to identify a staffing model that will ensure a community of standard of care is maintained, while keeping cost to a minimum. Staffing will be consistent while ensuring that it is robust enough to achieve IMQ and NCCCHC accreditation. It should also keep with the goals of decreased use of safety cells by providing early intervention and regular assessments for retention.

Enhance Services

- Adequate service level to achieve accreditation.
- Increase levels of service for sick call and 14 day evaluations.
- Higher level of service for inmates with mental health population
- Consistent bridging of medications at intake.
- Increased collaboration with Behavioral Wellness and Public Health partners.
- More consistent services due to vendor track record of staff retention

Sheriff's Office and Probation Department

- Direct the Sheriff's Office and Probation Department to proceed with entering into contract negotiations with California Forensic Medical Group to provide Inmate/Ward Medical Services at the Jail and Juvenile Facilities and Mental Health Services at the Jail.
- Proposed term of Contract is for 3 years with (2) one year extension options.
