Summary Text:

The Santa Barbara County Department of Behavioral Wellness provides a continuum of mental health and substance use disorder services to Santa Barbara County residents, in part through contracted providers including Community-Based Organizations (CBOs). This item is on the agenda to update the ADP CBO agreements with enhanced agreement language. Approval of the recommended actions will allow Behavioral Wellness to update contract language in accordance with DHCS SAPT State Compliance requirements in a cohesive and streamlined manner to meet the deadline of December 31, 2016.

Background:

DHCS is responsible for monitoring requirements of the SAPT Block Grant and the terms of the State-County contracts operated by the Santa Barbara County Department of Behavioral Wellness. In May 2016 the DHCS County Monitoring Unit conducted a routine comprehensive review of Behavioral Wellness ADP FY 15-16 contracts. The review was based on discussions with County Staff, supporting documentation and compliance with state requirements.

In June 2016, Behavioral Wellness received a comprehensive report of the contract compliance review that identified Program, Fiscal and Contract areas requiring corrective actions. The following two contract clauses were cited for needing corrective action: Non Discrimination and Institutional Safeguarding for Religious Providers and Trafficking Victims Protection Act (TVPA) of 2000. Behavioral Wellness, with feedback from County Counsel, determined that enhanced language was needed to meet the State Compliance requirement. Behavioral Wellness submitted a timely Corrective Action Plan (CAP) on July 2016 detailing the steps to be taken to correct the two contract clauses and provided a date of December 31, 2016 to correct all of the ADP SAPT Board Contracts.

In accordance with Non Discrimination and Institutional Safeguarding for Religious Providers the Regulatory Requirements ADP Bulletin 04-5, "Counties should implement processes and procedures as necessary to comply with the provisions of Title 42 of the Code of Federal Regulations, Part 54. Under Part 54, counties are required to identify religious providers." The enhanced contract language outlines the steps for CBOs to identify as a religious provider. Under Part 54, a religious provider can be funded if applicable requirements are met, as long as funds are not used for religious program content (worship, proselytizing, or religious instruction).

For Trafficking Victims Protection Act of 2000 (TVPA), 22 U.S. Code § 7104 (g) states, "Any grant, contract, or cooperative agreement...shall include a condition that authorizes the department or agency to terminate the grant, contract, or cooperative agreement, or take any of the other remedial actions" if the grantee or any subgrantee violates the TVPA by engaging in trafficking of persons or using forced labor in performing the contract. Language was added to clearly identify what is required for compliance and references Behavioral Wellness' Policy and Procedure in the event a CBO does not comply with the law.

With the approval of the Board, Behavioral Wellness will update each of the ADP CBO agreements listed above with an amendment substantially similar to Attachment A, but personalized for each contractor. This will allow Behavioral Wellness to amend the contracts without needing to bring all nine individual contracts to the Board. The approval of the recommended actions will allow Behavioral Wellness to correct and to address the DHCS compliance requirements by the deadline in an efficient manner. Program and Fiscal staff have already addressed several of the other cited items and will continue to address the remaining compliance items prior to the deadline.

Fiscal and Facilities Impacts:

Budgeted: There are no budget impacts.

Fiscal Analysis:

Narrative: No funds are expended by Behavioral Wellness.

Key Contract Risks:

There is a risk of non-compliance. However, APD created policies and procedures to monitor CBO compliance.
