## Interests & Experiences

**Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.**

I recently retired for an aerospace engineering and manufacturing company. I live in the Orcutt area and want to be more involved in our community. I have had a lot of interaction with SB County Planning & Development and would like to offer my support.

**Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.**

I'm a degreed mechanical engineer from UCSB and have lived mostly in SB County since 1983, since attending UCSB. I have lived in north SB County since January 1992. I have been the local leader for C&D Aerospace, Zodiac Aerospace, Safran Cabin (all through acquisition), and most recently Elevate Seating, formerly known as Adient Aerospace, a Boeing owned company. I'm a South Santa Maria Rotary member, I am an elected Director for the Santa Maria Public Airport District, and I currently do part time property management and aerospace consulting.
