**RE: The Red Guide to Recovery - Resource Handbook for Disaster Survivors**

### **GENERAL INFORMATION:**

The Red Guide to Recovery - Resource Handbook for Disaster Survivors (The Red Guide) is a one-of-a-kind disaster recovery handbook. Designed to be a "living document", The Red Guide can be customized to the specific needs of any agency in the U.S. The topics covered in The Red Guide include emergency repairs & services, displacement and relocation, disaster relief and financial assistance, homeowners' insurance, handling personal property, fire, smoke and water damage, estimating repair costs, selecting a contractor, public insurance adjusters, hazardous materials, safety after a disaster, trauma intervention and grief counseling, avoiding disaster scams, and much more. In addition, we produce numerous supplemental resources to enhance the information contained in The Red Guide.

### **COPYRIGHTED INTELLECTUAL PROPERTY:**

The Red Guide to Recovery is registered with the Library of Congress and is protected under the "1976 Copyright Act" of the laws of the United States (Title 17, U.S. Code).

It is therefore illegal for anyone to:

- Reproduce the copyrighted work;
- Prepare derivative works based on the copyrighted works
- Distribute copies of the copyrighted works, without written consent by the owner of the copyright.
