That the Board of Supervisors:

**Summary Text:**

This agreement with the State Victim Compensation and Government Claims Board enhances services provided to victims by the District Attorney's Office. The Victim of Violent Crimes (VVC) Claims Verification enables victims to obtain financial recovery of losses experienced as a result of a violent crime from the State Victim Restitution Fund. The Criminal Restitution Compact assists the State to maintain the integrity of this fund by maximizing recovery of restitution fines and penalties ordered and collected locally. A resolution is required to authorize the District Attorney to execute this agreement as well as comply with non-supplanting State funds.

**Background:**

The Criminal Restitution Compact was initiated in January 2000 to assist the State Board Revenue Recovery and Appeals Division to improve the criminal restitution system. The State established contracts with various District Attorney Offices to maximize the recovery of criminal restitution fines, which is the source of financing to reimburse victim losses incurred as a result of a violent crime. This contract provides \$92,671 in FY12-13 to fund

1.0 paralegal position to ensure that statutory restitution fines and penalty assessments are included in court orders.

**Fiscal and Facilities Impacts:**

Revenues and appropriations are included in current and future budgets.
