Federal Register Reference: Link: https://www.govinfo.gov/content/pkg/FR-2016-08-19/pdf/2016-15975.pdf, PDF page 30 Dual Representation Title 20 CFR 679.320(h) allows an individual to be appointed as a representative on the Local WDB for more than one entity if the individual meets all of the criteria for representation. Comments: Several commenters expressed concern with this approach because it differs from State WDB requirements; commenters recommended allowing for all core programs to have separate representation on Local WDBs. One commenter supported the flexibility in permitting a Local WDB member to represent multiple entities. Another commenter recommended that the Department should strongly discourage a Local WDB member from representing two interests, reasoning that a Board member serving the interests of two separate functions would not be true to the intent of WIOA. This commenter also expressed concern that it would create a conflict of interest under the Sarbanes-Oxley Act and a Board member’s heightened fiduciary responsibilities. Department Response: The Department recognizes that the structure of core programs may differ across the country and separate representation may not be possible or practical in all local areas. The Department offers Governors and Local Chief Elected Officials the flexibility for an individual to be appointed as a representative on the Local WDB for more than one entity if the individual meets all of the criteria for representation. However, there is no requirement that this be the case. In accordance with WIOA sec. 107(b)(1) and § 679.320(a) the CEO must follow the process established by the Governor, in partnership with the State WDB, for appointing members of the Local WDB. With regard to concerns about conflicts of interest under the Public Company Accounting Reform and Investor Protection Act (Sarbanes-Oxley Act) or other applicable laws, neither WIOA nor these regulations exempt an official serving in a dual representation capacity from any applicable ethical rules. In fact, § 683.200(c)(5) imposes specific conflict of interest requirements on WIOA recipients in addition to those applicable under the uniform administrative requirements. For these reasons, the Department has determined that the flexibility for Local WDB membership is appropriate and no change to the regulatory text was made in response to these comments.</p>
