**Recommended Actions:** That the Board of Supervisors:

- (a) Adopt the attached resolution authorizing the Chief Probation Officer to accept the (CalGRIP) Management and Youth Violence Prevention Training Grant award and related contracts, amendments, or extensions with the training provider.

**Summary Text:**

On July 3, 2009, the Probation Department was notified that it had been awarded \$23,544.00 in a grant from the Juvenile Accountability Block Grants Program (JABG) for the purpose of providing training to Probation Department staff in Aggression Replacement Training (A.R.T.®). The trained staff would then facilitate A.R.T. sessions for juvenile offenders within the community and in the Probation Institutions Division.

**Background:**

In May 2009, the Corrections Standards Authority (CSA), through the State of California Department of Corrections and Rehabilitation, announced the availability of \$1,100,000 in federal JABG funds in support of the CalGRIP program. The funding was directed to support technical assistance and training for county probation departments to implement or expand A.R.T.® programs within their respective juvenile halls, camps, ranches, and in the community. Counties were supplied a list of three approved providers for the A.R.T. ® training, each offering similar but unique services at a range of costs. Santa Barbara County Probation selected California Institute for Mental Health (CIMH) as it is an in-state provider which offers services that best meet the needs of the Department and has the most reasonable cost.

Based on a pre-determined scale provided by CSA, the Department could receive funding for up to ten staff to receive the initial training, and of those ten, four could be identified to receive Training for Trainers. This will allow future training to occur “in-house”, thus reducing the overall long term costs to the Department.

Over four years ago, several Probation Department staff members participated in A.R.T.® training. Since then, many of those previously trained have left the Department, have been promoted to administrative roles, or are now in assignments outside the targeted population. There are some staff currently working in the institutions, both at Santa Maria Juvenile Hall (SMJH) and at Los Prietos Boys Camp/Academy (LPBC/A) who currently are providing A.R.T.® sessions. In addition, Alcohol, Drug, Mental Health Services staff at the Santa Maria and Santa Barbara Counseling and Education Centers (CECs) are also facilitating sessions. The goal is to increase the Department’s pool of A.R.T.® facilitators and provide current training. They in turn will continue the sessions currently in existence and add new sessions for juveniles within the community.

**Performance Measure:**

1. Ensure at least 100 youth participate in ART each year. ....
2. Ensure that 80% of youth enrolling in ART complete program requirements.
3. Ensure that 80% of youth successfully completing ART have no arrests for violent offenses within six months of program completion.

**Fiscal and Facilities Impacts:**

Budgeted: No

**Fiscal Analysis:**

The total cost of training the staff is \$26,160. The grant provides \$23,544 of funding and requires a 10% (\$2,616) cash match. The Probation Department will finance the required match from the Department’s existing General Fund contribution. Approving the acceptance of the grant award will not increase the Probation Department’s General Fund contribution.
