Please accept our public comment for the Board of Supervisors Meeting tomorrow, Tuesday, December 9 on Agenda Item #A-17:

Dear Santa Barbara County Board of Supervisors,

Members of the Sierra Club Santa Barbara Group enthusiastically urge you to pass a resolution supporting the passage of the California Polluter Pays Climate Superfund Act (AB 1243 / SB 684). By passing this resolution, Santa Barbara County can influence target legislators to pass the bill up in Sacramento. Over 8000 local Sierra Club members and supporters support the Board taking this action on behalf of our county.

Thank you for your commitment to leadership and the care of our collective well-being.

Sincerely,
Emily Engel
