Summary:

On Thursday, August 24th, 2006, one (1) bid was opened for the Construction of 2006/07 County Wide Roads General Fund Designation and Measure 'D' Preventive Maintenance Application of Slurry Seal in Santa Barbara County, County Project No. 820608. The bid was submitted by Valley Slurry Seal Company, (Not a Local Vendor) a California Corporation, in the amount of \$1,263,194.40, which was 16 % below the Engineer's Estimate. Staff has performed an analysis of the bid received and has determined that the bid is responsive and reasonable. Staff recommends awarding this contract to Valley Slurry Seal Company.

Background:

The project is one of the strategies the Department employs in its annual Preventive Maintenance Program and consists of the application of a slurry seal coat on the existing pavement surface at various locations throughout Santa Barbara County. A Slurry Seal is aggregate mixed with asphalt emulsion which is then spread onto the road pavement to provide a wearing course and to seal cracks that begin to appear 4 to 5 years after an overlay. The Slurry Seal extends the life of the pavement 5 years or more. Approximately 68 lane miles of County maintain roadway will be resurfaced with the construction of this project.

Your Board approved the project as part of the 2006/07 Capital Improvement Plan. The specific project locations were approved by your Board in FY 2006/07 Road Maintenance Annual Plan (RdMap) on March 28th, 2006. The specific locations are attached for your information.

This project was bid in accordance with the Public Contract Code, which requires the award to the lowest responsive bidder.

Fiscal and Facilities Impacts:

The total project funding including contingencies amounts to \$1,338,854.12. Of this total \$6,694.57 is provided by General Fund revenue, \$1,332,159.55 is provided by Measure 'D' revenue.

Measure 'D' funding for this project is budgeted in Dept. 054, Fund 0015, Org 0001, Program 2900 and Account 7511. General Fund funding for this project is budgeted in Fund 0015, Org Unit 001, Program 2900 Department 054 and Account 7510.
