The site is identified as Assessor Parcel Number 131-220-010, located approximately 550 feet south of the intersection of Colson Canyon and Tepusquet Roads, and 920 feet east from Tepusquet Road, known as 3660 Tepusquet Canyon Road, in the Santa Maria area, Fifth Supervisorial District.

Summary Text:

The new nonprime agricultural preserve (08AGP-00000-00032) will consist of 154 acres used for vineyards. The property is currently zoned AG-I-40 under the Land Use Development Code. On September 5, 2008, the Agricultural Preserve Advisory Committee recommended approval of the Agricultural Preserve Contract for the proposed project and found it consistent with the Uniform Rules.

Background:

Government Code Section 51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use for 10 years on an annual renewal basis until such time as either the County or landowner enter into non-renewal. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.
