---

Departmental Item #5 of the June 26<sup>th</sup> Board meeting is entitled "Solid Waste Tipping Fees, Collection Rates and Parcel Fees for FY 2007/2008." The hard copy package docketed with the Clerk of the Board contained the correct rates. When the Board Letter and its attachments were sent electronically to the Clerk of the Board, the franchise solid waste collection rates for last fiscal year were unintentionally posted. The correct rates are now contained on the Website. We apologize for any confusion.
