Reasons to support exemption findings (attach additional material, if necessary):

The adoption, amendment, and repeal of these ordinances do not constitute a project under CEQA guidelines. 14 CCR section 15378(b)(5) states that a "Project" does not include organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment. These ordinances are administrative activities to clean-up and correct County code for the Certified Unified Program Agency (CUPA). CUPA is a state-mandated program operated by the Environmental Health Services. These administrative activities are exempt per CEQA Guidelines 15378(b)(5).
