**Interests & Experiences**

**Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.**

I am recently retired and looking for meaningful ways to connect with and support my community. I bring professional expertise as an architect and former member of the City of Kirkland (WA) Design Review board where I served two terms (8 years), chairing twice. I also hold an MFA degree and have significant training as a theater and fine artist. My hobbies include horseback riding and hiking. I have targeted three boards that reflect my interests and expertise.

**Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.**

See above, and resume. In addition, I've served on the boards of the SB Chapter of the California Dressage Society, Equestrians' Institute, Washington Academy of the Performing Arts, Miramar Beach Homeowners Association (current), American Institute of Architects Small Project Practitioners Knowledge Committee. Active equestrian and fine artist.
