NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, it is agreed between the parties hereto that:

I. **SCOPE OF WORK**

A. **General**

All work stated and set out in the Statement of Work attached hereto and incorporated herein as Exhibit A will be performed at 2025 Sweeney Road, Lompoc, CA. Sylvia Barnard, Executive Director, shall ensure that the background and qualifications of the LICENSEE's staff, contractors and subcontractors performing the work stated and set out in the Statement of Work and carrying out the Project are appropriate and, if applicable, meet the minimum standards established by pertinent licensing bodies.

B. **Statement of Work**

Under this Agreement, LICENSEE will carry out and invoice the County for reimbursement of expenses under the CDBG Program for the work described in Exhibit A Statement of Work. The Project meets one of the criteria under 24 CFR 570.208. LICENSEE shall invoice the County for reimbursement under the CDBG Program. The Statement of Work includes the activities eligible under the Community Development Block Grant program as set forth in Exhibit A to this Agreement. LICENSEE will be responsible for performing the work stated and set out in the Statement of Work and carrying out the Project in a manner satisfactory to the COUNTY and consistent with all federal requirements and standards required as a condition of providing these CDBG Funds.

C. **Staffing**

Any changes in the staff who perform work under this Agreement must be approved in writing by the County's Housing and Community Development Division (HCD). All of the work stated and set out in the Statement of Work shall be performed by LICENSEE or under LICENSEE's supervision. LICENSEE represents that it possesses, and that its contractors and subcontractors shall possess, the professional and technical personnel required to perform the work stated and set out in the Statement of Work required by this Agreement, and that it and its contractors and subcontractors will perform all work stated and set out in the Statement of Work in a manner commensurate with the highest professional standards. D. **Performance Monitoring**

The COUNTY will monitor the performance of the LICENSEE against goals and performance standards set forth in the Statement of Work. LICENSEE's substandard performance as

determined by the COUNTY will constitute LICENSEE's noncompliance with this Agreement. If action to correct such substandard performance is not taken by the LICENSEE within seven (7) business days after being notified by the COUNTY, contract suspension or termination procedures will be initiated as more fully detailed in Section VI.F.

E. Changes

Any changes to this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement executed by COUNTY and LICENSEE. COUNTY and LICENSEE may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, are executed in writing, and signed by a duly authorized representative of each party. Such amendments shall not invalidate any parts of this Agreement that are not changed by the amendment, nor relieve or release COUNTY or LICENSEE from its obligations under this Agreement that are not changed by the amendment. LICENSEE agrees to not unreasonably withhold its approval of any amendments proposed by COUNTY that are necessary in order to conform with federal, state or local governmental laws, regulations, ordinances, orders, rules, directives, circulars, bulletins, notices, guidelines, policies and available funding amounts.

If this Agreement is executed on behalf of COUNTY by the County Purchasing Agent (or designee) or the Director of the County Community Services Department (or designee) or both, the same duly authorized representative(s) shall execute any amendments to this Agreement in the same fashion subject to all other applicable requirements set forth herein or otherwise imposed by law. If this Agreement is approved by the County Board of Supervisors and executed by the Chair of the Board of Supervisors on behalf of COUNTY, any amendments to this Agreement must be approved and executed in the same manner except the Director of the County Community Services Department or designee is authorized to approve at his or her discretion and execute amendments on behalf of COUNTY to make any one or more of the following changes:

1. Changes to the Budget attached hereto as Exhibit B. Such changes shall be limited to (a) revisions to the amounts in each Budget line item, provided that the overall amount of the CDBG funds is not increased; and (b) additions to or deletions of the line items in the Budget; provided that all expenditures are eligible pursuant to 24 CFR part 570. In no event shall an amendment be made pursuant to this subsection I.E.1 that will result in any change to the Scope of Services attached hereto as Exhibit A.
2. Administrative changes to the Agreement that are necessary in order to conform with federal, state or local governmental laws, regulations, ordinances, orders, rules, directives, circulars, bulletins, notices, guidelines, policies and available funding amounts.
3. Changes extending the length of the Term as described in Section II up to a maximum of 6 months. This Section shall not obligate the County to extend the length of the Term at LICENSEE's request or otherwise alter the County's rights to terminate this Agreement or reduce the award as set forth in Section VI.F. Any change made to the length of the Term pursuant to this Section shall not alter or waive the County's rights under this agreement, including but not limited to the County's right to terminate this Agreement as set forth in Section VI.F.

B. Reversion of Assets

Upon the expiration of this Agreement, the LICENSEE shall transfer to the COUNTY any CDBG funds it has on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. The payment is program income to the COUNTY.
 - a. To determine the current market value of the property, the LICENSEE shall obtain a real estate appraisal of the property, performed by a California licensed real estate appraiser. Any amendments to the budget must be approved in accordance with Section I.E.

LICENSEE represents that the budget includes only allowable costs and an accurate analysis of costs acceptable under the CDBG Program pursuant to the Regulations, including, but not limited to, 24 CFR 570.502, which includes requirements for compliance with and found in the provisions contained in the Federal Office of Management and Budget Circular 2 CFR Part 2400 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the related CDBG provisions, and all Subparts and Appendices, as applicable. VI. GENERAL CONDITIONS

A. General Compliance

The LICENSEE agrees to comply with the requirements of the Regulations at 24 CFR Part 570, including subpart K, except that (1) the LICENSEE does not assume the COUNTY's environmental responsibilities described in 24 CFR 570.604 and (2) the LICENSEE does not assume the COUNTY's responsibility for initiating the review process under the provisions of 24 CFR Part 52. In addition, the LICENSEE agrees to comply with the Federal Terms and Conditions attached hereto and incorporated herein as Exhibit D and in 2 CFR part 2400 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. LICENSEE agrees to comply with 24 CFR 570.609, the Suspension and debarment rules, and 24 CFR 570.614, the Architectural Barriers Act of 1968. The LICENSEE also agrees to comply with the terms of HUD's award to County, including the grant agreement, assurances in an application, or a notice of award and all other applicable Federal, state and local laws, regulations, ordinances, orders, rules, guidelines, directives, circulars, bulletins, notices and policies governing the CDBG Funds provided under this Agreement. The judgment of any court of competent jurisdiction, or the admission of the LICENSEE in any action or proceeding against LICENSEE, whether the COUNTY is a party thereto or not, that LICENSEE has violated any such law, regulation, ordinance or order, shall be conclusive of that fact as between LICENSEE and COUNTY. The LICENSEE further agrees to utilize CDBG Funds available under this Agreement to supplement rather than supplant funds otherwise available.

B. National Environmental Policy Act (NEPA) Compliance

The COUNTY will identify the need for and will complete any appropriate environmental compliance related requirements, including NEPA (40 CFR 1500-1508 and 24 CFR Part 58), pertinent to LICENSEE's project. Environmental and other associated compliance shall be completed prior to the start of this project. As such, notwithstanding any other provision of this Agreement, COUNTY shall not provide any funds to LICENSEE pursuant to this Agreement, and LICENSEE shall not begin implementation of the assisted activity described in this Agreement or otherwise have any claim to the funds described in this Agreement, until COUNTY provides written notice to the LICENSEE that all applicable environmental and regulatory compliance analyses and clearances have been completed and that LICENSEE may begin implementation of this project. The parties further agree that the provision of any funds to the project is conditioned on the County's determination to proceed with, modify or cancel the project based on the results of a subsequent environmental review.

If LICENSEE begins project activities that require environmental and other regulatory compliance approval prior to receipt of written notice from COUNTY that all such clearances have been obtained, then COUNTY reserves the right to unilaterally terminate this agreement for cause.

C. Independent Contractor

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The LICENSEE shall at all times remain an independent contractor with respect to the work to be performed under this Agreement. COUNTY shall not be responsible for paying any taxes on LICENSEE'S behalf, and should COUNTY be required to do so by state, federal, or local taxing agencies, LICENSEE agrees to promptly reimburse COUNTY for the full value of such paid taxes plus interest and penalty if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance and workers' compensation Insurance. In addition, LICENSEE understands and acknowledges that it shall not be entitled to any of the benefits of a COUNTY employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure.

D. Insurance and Indemnification

The LICENSEE shall comply with the insurance and indemnification provisions set forth in Exhibit E "Indemnification and Insurance Requirements" attached hereto and incorporated herein.

E. Workers' Compensation

The LICENSEE shall provide Workers' Compensation Insurance coverage for all of its employees involved in the performance of this Agreement as set forth in Exhibit E "Indemnification and Insurance Requirements" attached hereto and incorporated herein.

F. Suspension or Termination

In accordance with 2 CFR Part 2400 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and 24 CFR 570.503 (b)(6), COUNTY may suspend or terminate this Agreement if LICENSEE materially fails to comply with the terms of HUD's award to COUNTY, including, but not limited to, the grant agreement, assurances in an application, or a notice of award or any terms of the Agreement, which include but are not limited to, the following:

- Failure to comply with any of the laws, rules, regulations, ordinances, provisions, orders, guidelines, policies, circulars, bulletins, notices or directives referred to herein, or as may become applicable at any time;
- Failure, for any reason, of LICENSEE to fulfill its obligations under this Agreement;
- Ineffective or improper use of CDBG Program funds provided under this Agreement;
- or
- Submittal of reports that are false or that are incorrect or incomplete in any material respect.

1. Termination by COUNTY

COUNTY may, by written notice to LICENSEE, terminate this Agreement in whole or in part at any time, whether for COUNTY's convenience, for nonappropriation of funds, or because of the failure of LICENSEE to fulfill the obligations herein.

- a. **For Convenience.** In accordance with 2 CFR Part 2400, this Agreement may be terminated for convenience by COUNTY with the consent of LICENSEE in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.
- b. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or COUNTY governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then COUNTY will notify LICENSEE of such occurrence and COUNTY may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, COUNTY shall have no obligation to make payments with regard to the remainder of the term.
- c. **For Cause.** Should LICENSEE default in the performance of this Agreement or materially breach any of its provisions, COUNTY may, at COUNTY's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, LICENSEE shall immediately discontinue all services affected (unless the notice directs otherwise) and notify COUNTY as to the status of its performance. The date of termination shall be the date the notice is received by LICENSEE, unless the notice directs otherwise.

2. Termination by LICENSEE

In accordance with 2 CFR Part 2400, this Agreement may be terminated by LICENSEE, upon written notification to COUNTY, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, COUNTY determines that the remaining portion of the award will not accomplish the purposes for which the award was made, COUNTY may terminate the award in its entirety under 2 CFR Part 2400.

3. Upon termination, LICENSEE shall deliver to COUNTY all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by LICENSEE in performing this Agreement, whether completed or in process, except such items as COUNTY may, by written permission, permit LICENSEE to retain.
4. If HUD demands reimbursement from COUNTY for COUNTY's payments to LICENSEE due to LICENSEE's failure to comply with the terms of HUD's award to COUNTY, including, but not limited to, the grant agreement, assurances in an application, or a notice of award, any applicable term of this Agreement, or any law, regulation, ordinance, order, rule, directive, circular, bulletin, notice, guideline or policy referred to herein, or as may

become applicable at any time, LICENSEE shall fully and completely reimburse COUNTY in the total amount of such disallowed payments.

The LICENSEE agrees to comply with 24 CFR 570.502 and 2 CFR Part 2400 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. LICENSEE agrees to adhere to the accounting principles and procedures referenced therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

2. Cost Principles

The LICENSEE agrees to comply with 24 CFR 570.610 "Uniform Administrative Requirements and Cost Principles". These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

3. Administrative Requirements

The LICENSEE also agrees to comply with all applicable uniform administrative requirements set forth in 24 CFR 570.502 and all applicable requirements set forth in 24 CFR Part 5 (24 CFR 5.100-5.2011) and found in the provisions contained in the Federal Office of Management and Budget Circular 2 CFR Part 2400 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. No costs shall be invoiced or billed except for expenditures authorized in the budget contained within this Agreement and also Exhibit B. The itemized costs shall be of sufficient detail to provide a sound basis for the COUNTY to effectively monitor costs under this Agreement.

B. Documentation and Record Keeping

1. Records to be Maintained

The LICENSEE shall maintain all records required by the Federal regulations specified in 24 CFR 570.506 or by COUNTY's ordinances or policies that are pertinent to the work to be performed or activities to be funded under this Agreement. Such records shall include but not be limited to:

2. Retention

The LICENSEE shall retain all financial records, supporting documents, statistical records, and all other records pertinent to this Agreement for a period of at least four (4) years. The retention period begins on the date of the submission of the COUNTY's annual performance and evaluation report to HUD, as prescribed in 24 CFR 91.520, in which the activities assisted under the Agreement are reported on for the final time rather than from the date of submission of the COUNTY's final expenditure report for HUD's award to County. Notwithstanding the above, if there is litigation, claims, disputes, audits, negotiations or other actions that involve any of the records and that have started before the expiration of the four-year period, then all records must be retained until completion of the actions and final resolution of all issues, or the expiration of the four-year period, whichever occurs later.

3. LICENSEEship of Documents

Each and every report, draft, map, record, plan, document and other writing produced (hereinafter "Documents"), prepared or caused to be prepared by LICENSEE, its officers, employees, agents, representatives, contractors and subcontractors, in the course of performing this Agreement, shall be and become the exclusive property of COUNTY, and COUNTY shall have the sole right to use such materials in its sole discretion without further compensation to LICENSEE or any other party. LICENSEE shall, at LICENSEE's own expense, provide such Documents to COUNTY upon COUNTY'S written request.

4. Disclosure

The LICENSEE understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of the COUNTY's or LICENSEE's responsibilities with respect to the work performed or the Project described in this Agreement, may be prohibited under state or federal law unless written consent is obtained from such person benefitting from the work performed under this Agreement or the Project and, in the case of a minor, that of a responsible parent/guardian.

5. Close-outs

The LICENSEE also agrees to comply with all grant closeout procedures set forth in 24 CFR § 570.509 and all applicable requirements set forth in 2 CFR Part 2400 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The LICENSEE's obligations to the COUNTY shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the COUNTY), and determining the custodianship of records.

Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the LICENSEE has control over CDBG Funds, including program income.

6. Audits & Inspections

All LICENSEE records with respect to any matters covered by this Agreement shall be made available to COUNTY, HUD, and the Comptroller General of the United States or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make copies, excerpts or transcripts of all relevant data. Any deficiencies, audit findings, or required corrective actions noted in audit reports must be fully cleared by the LICENSEE within 30 days after receipt by LICENSEE unless a longer time period is agreed upon in writing by the COUNTY. LICENSEE hereby agrees to have an annual program-specific audit conducted by a certified public accounting firm in accordance with 2 CFR Part 2400 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and current COUNTY policy and requirements concerning audits.

If this Agreement exceeds ten thousand dollars (\$10,000.00), LICENSEE shall be subject to the examination and audit of the California State Auditor, at the request of the COUNTY or as part of any audit of the COUNTY, for a period of three (3) years after final payment under this Agreement (Cal. Govt. Code Section 8546.7). LICENSEE shall participate in any audits and reviews, whether by COUNTY or the State, at no charge to COUNTY.

If federal, state or COUNTY audit exceptions are made relating to this Agreement, LICENSEE shall reimburse all costs incurred by federal, state, and/or COUNTY governments associated with defending against the audit exceptions or performing any audits or follow-up audits, including but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments and all other costs of whatever nature. Immediately upon notification from COUNTY, LICENSEE shall reimburse the amount of the audit exceptions and any other related costs directly to COUNTY as specified by COUNTY in the notification.

7. Access to Records

The LICENSEE shall furnish and cause each of its own contractors and subcontractors to furnish all information and reports required hereunder and will permit access to books, records and accounts by the COUNTY, HUD or other authorized officials or their agents, to ascertain compliance with the laws, rules, regulations, executive orders, ordinances, resolutions, guidelines, policies, directives, standards and provisions stated in this Agreement or the CDBG program.

C. Reports

LICENSEE shall provide HCD with a monthly Project Status and Completion Report (Report) on HCD's form (Exhibit F). Upon completion of the Statement of Work, LICENSEE shall complete and submit Section III of the Report documenting an unduplicated count of persons benefiting from the completion of the Statement of Work. 2. ACTIVITY DESCRIPTION/PERFORMANCE GOALS

Scope of Work to be performed

Good Samaritan Shelter (GSS) will rehabilitate the interior and exterior of the Bridgehouse Shelter facility located at 2025 Sweeney Road, Lompoc, CA. GSS is a licensee of the property from the County of Santa Barbara.

The Bridgehouse Shelter Capital Improvements Project includes replacing the flooring throughout the main building, painting the interior of the building, rehabilitating the restrooms (replacing the counters, toilets, sinks, flooring, showers, floor drains, and partitions - currently there is residential grade and these items will be replaced with commercial grade to better meet the needs of the residents). The laundry room will be renovated to increase capacity. The exterior stairs will be repaired and replaced on the duplex as well.

At the North West side of the property, there are 3 water tanks that hold water for storage for the tenants to use. The water at the site is fed by a well near the river in the County Road Yard. This well provides sufficient volumes of water but has high mineral counts and needs to be filtered by reverse osmosis in order to reduce the mineral counts. One of the tanks that provides water for the Fire Sprinkler system is failing and will be replaced. The other tank is showing signs of leaks and will also be replaced.

Goals and Community Impact

Performance targets of Bridgehouse Shelter include:

- 1) 27,000 bed nights provided per year
- 2) 54,000 meals provided per year (dinner & breakfast)
- 3) 100% of school age children will be enrolled & attending school

FEDERAL TERMS AND CONDITIONS

This Project is being assisted by the U.S. Department of Housing and Urban Development. The following Federal provisions must be included into the contract pursuant to the provisions applicable to Federal assistance, such as Community Development Block Grant (CDBG), HOME Investments Partnership Program and Emergency Shelter Grants (ESG). During the performance of the contract, the Contractor must agree to comply with all applicable Federal laws and regulations including but not limited to each of the following:

A. Equal Opportunity

During the performance of this Contract, the Contractor agrees as follows:

1. The Contractor will comply with Executive Order 11246 of September 24, 1965 entitled Equal Employment Opportunity as amended by Executive Order 11375 of October 1967 as supplemented in Department of Labor regulations (41 CFR chapter 60).
2. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to insure that applicants are employed and that employees are treated equally during employment, without regard to race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment upgrading, demotion, transfer, recruitment, or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the County of Santa Barbara setting forth the provisions of this nondiscrimination clause.
3. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, sex, or national origin.
4. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The Contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

6. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept. 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
7. The Contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided, however,* that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
8. The Contractor shall file, and shall cause each of his subcontractors to file, Compliance Reports with the contracting agency or the Secretary of Labor as may be directed. Compliance Reports shall be filed within such times and shall contain such information as to the practices, policies, programs, and employment policies, programs, and employment statistics of the contractor and each subcontractor, and shall be in such form, as the Secretary of Labor may prescribe.
9. Bidders or prospective contractors or subcontractors may be required to state whether they have participated in any previous contract subject to the provisions of this Order, or any preceding similar Executive order, and in that event to submit, on behalf of themselves and their proposed subcontractors, Compliance Reports prior to or as an initial part of their bid or negotiation of a contract.
10. Whenever the Contractor or subcontractor has a collective bargaining agreement or other Contract or understanding with a labor union or an agency referring workers or providing or supervising apprenticeship or training for such workers, the Compliance Report shall include such information as to such labor union's or agency's practices and policies affecting compliance as the Secretary of Labor may prescribe: *Provided,* That to the extent such information is within the exclusive possession of a labor union or an agency referring workers or providing or supervising apprenticeship or training and such labor union or agency shall refuse to furnish such information to the contractor, the contractor shall so certify to the Secretary of Labor as part of its Compliance Report and shall set forth what efforts he has made to obtain such information.
11. The Secretary of Labor may direct that any bidder or prospective contractor or subcontractor shall submit, as part of his Compliance Report, a statement in writing, signed by an authorized officer or agent on behalf of any labor union or any agency referring workers or providing or supervising apprenticeship or other training, with

which the bidder or prospective contractor deals, with supporting information, to the effect that the signer's practices and policies do not discriminate on the grounds of race, color, religion, sex or national origin, and that the signer either will affirmatively cooperate in the implementation of the policy and provisions of this order or that it consents and agrees that recruitment, employment, and the terms and conditions of employment under the proposed contract shall be in accordance with the purposes and provisions of the order. In the event that the union, or the agency shall refuse to execute such a statement, the Compliance Report shall so certify and set forth what efforts have been made to secure such a statement and such additional factual material as the Secretary of Labor may require.

12. The Contractor will cause the foregoing provisions to be inserted in all subcontracts for work covered by this Agreement so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
4. The Contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
5. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
6. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

A. Minimum Scope and Limit of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$2,000,000 per occurrence and \$4,000,000 in the aggregate.

3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
4. **Contractors' Pollution Legal Liability and/or Asbestos Legal Liability:** (if project involves environmental hazards) with limits no less than \$1,000,000 per occurrence or claim, and \$2,000,000 policy aggregate.

If the CONTRACTOR maintains higher limits than the minimums shown above, the COUNTY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it.

7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required

insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format least as broad as CG 20 38 04 13.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.

D/MBE/WBE Implementation Guidelines

The following information, as applicable, shall be retained by OWNER and produced upon request by COUNTY if determined by COUNTY to be necessary to establish the bidder's "good faith efforts" to meet the Disadvantaged/Minority/Women Business Enterprise (D/M/WBE) requirements.

1. The names and dates of advertisement of each newspaper, trade paper, and minority-focus paper in which a request for D/M/WBE participation for this project was placed by the bidder.
2. The names and dates of notices of all certified D/M/WBEs solicited by direct mail for this project and the dates and methods used for following up initial solicitations to determine with certainty whether the D/M/WBEs were interested.
3. The items of work for which the bidder requested subbids or materials to be supplied by D/M/WBEs, the information furnished interested D/M/WBEs in the way of plans, specifications and requirements for the work, and any breakdown of items of work into economically feasible units to facilitate D/M/WBE participation. Where there are D/M/WBEs available for doing portions of the work normally performed by the bidder with his own forces, the bidder will be expected to make portions of such work available for D/M/WBEs to bid on.
4. The names of D/M/WBEs who submitted bids for any of the work indicated in (3) above, which were not accepted, a summary of the bidder's discussions and/or negotiations with them, the name of the contractor, subcontractor or supplier that was selected for that portion of work, and the reasons for the bidder's choice. If the reason for rejecting the D/M/WBE bid was price, give the price bid by the rejected D/M/WBE and the price bid by the selected contractor, subcontractor or supplier.
5. Assistance that the bidder has extended to D/M/WBEs identified in (4) above to remedy the deficiency in their subbids.
6. To find a D/M/WBE certified firm, you may call (916) 324-1700, go on-line to: http://www.dot.ca.gov/hq/bep/find_certified.htm, or via email at: DBE_Certification@dot.ca.gov.

Federal Labor Standards Provisions
U.S. Department of Housing and Urban Development
Office of Labor Relations
Previous editions are obsolete
form HUD-4010 (06/2009) ref. Handbook 1344.1

Applicability

The Project or Program to which the construction work covered by this Agreement pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Agreement pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the OWNER and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section I(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the OWNER and its contractors and subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the Agreement or contracts shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the OWNER and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the OWNER, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this Agreement from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the Agreement for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the OWNER shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the OWNER does not make payments to a trustee or other third person, the OWNER may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the OWNER, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the OWNER to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the OWNER under this Agreement or any other Federal contract with the OWNER, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the OWNER so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the OWNER or any contractor or subcontractor the full amount of wages required by the Agreement or contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the Agreement or contract, HUD or its designee may, after written notice to the OWNER, sponsor, applicant, contractor or subcontractor, take such action as may be necessary to cause

the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the OWNER, disburse such amounts withheld for and on account of the OWNER or contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the OWNER during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section I(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section I(b)(2)(B) of the Davis-Bacon Act, the OWNER shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. OWNERS employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The OWNER shall submit weekly for each week in which any Agreement work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the OWNER will submit the payrolls to the applicant sponsor for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/libraryforms/> or its successor site. The OWNER is responsible for the submission of copies of payrolls by all contractor and subcontractors. OWNER and each contractor and subcontractor shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the Agreement, but if the agency is not such a party, the OWNER will submit the payrolls to the applicant sponsor for transmission to HUD or its designee, the OWNER, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for OWNER to require a contractor or subcontractor to provide addresses and social security numbers to the OWNER for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the OWNER or contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the Agreement or contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5(a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the Agreement or contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the OWNER or contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The OWNER and each contractor and subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the OWNER or contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the OWNER, sponsor, applicant, contractor or subcontractor, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the OWNER as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where OWNER is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the OWNER'S or contractor's or subcontractor's

registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the OWNER will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the OWNER will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The OWNER shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this Agreement.

6. Subcontracts. The OWNER or contractor or subcontractor will insert in any contracts and subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the contractors or subcontractors to include these clauses in any lower tier subcontracts. The OWNER shall be responsible for the compliance by any contractor or subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the Agreement and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this Agreement.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this Agreement shall not be subject to the general disputes clause of this Agreement. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the OWNER (or any of its contractors or subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this Agreement the OWNER certifies that neither it (nor he or she) nor any person or firm who has an interest in the OWNER'S firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this Agreement shall be contracted or subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false...shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Agreement are applicable shall be discharged or in any other manner discriminated against by the OWNER or any contractor or subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Agreement to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. Neither OWNER nor any contractor or subcontractor contracting for any part of the Agreement work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the OWNER and any contractor and subcontractor responsible therefor shall be liable for the unpaid wages. In addition, OWNER and such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the OWNER or contractor or subcontractor under any such Agreement or any other Federal contract with the OWNER, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the OWNER, such sums as may be determined to be necessary to satisfy any liabilities of OWNER or such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The OWNER or contractor or subcontractor shall insert in any contracts or subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the contractor or subcontractor to include these clauses in any lower tier contracts or subcontracts. The OWNER shall be responsible for compliance by any contractor or subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The OWNER shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96; 40 USC 3701 et seq.).

(3) The OWNER shall include the provisions of this paragraph in every contract and subcontract so that such provisions will be binding on each contractor and subcontractor. The OWNER shall take such action with respect to any contractor or subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.
