Project Title: Replacement Lease with California State Lands Commission for Placement and Maintenance of Swim and Channel Marker Buoys in the Pacific Ocean

Project Description: The new lease with California State Lands Commission will allow the County's continued placement of swim and marker buoys in the Pacific Ocean at Goleta Beach, Arroyo Burro Beach, Lookout Beach, Butterfly Beach and Miramar Beach between May 1st and October 15th annually in order to separate a safe swimming area from the area used by powered vessels. Buoys at these designated beach areas have been placed since May 16, 1983 through California State Lands Lease(s) and County Ordinance No. 3371.

Exempt Status:

Categorical Exemption

Cite specific CEQA Guideline Section: 15311(c).

Reasons to support exemption findings (attach additional material, if necessary):

The swim and channel marker buoys are seasonally placed and removed in generally the same locations at public beaches for safe swimming areas. The buoys are temporary accessory structures designed for public use and hence fall under the Class 1 CEQA exemption.
