Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

As a recently retired citizen I feel it is important to invest some of my time in serving the community that I love. Living less than one mile from the only cemetery in our area, I have many times driven by and admired the tidy future home of my earthly remains. Having many years of supervision in my background, plant management and budgeting as a principal, and having worked successfully on dozens of committees and teams, I feel I have the skills necessary to be an effective member of the Cemetery Board.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

As school principal and assistant superintendent of schools, I have extensive experience in Human Resources, plant management and budgets. As noted in my resume, through the years I have sat on multiple boards and volunteered for several community organizations.
