Executive Summary and Discussion:

The County has designed the plans and specifications to install and construct new sidewalk improvements on a number of the more heavily traveled streets and intersections in Isla Vista in connection with the Isla Vista Sidewalk Project (County Project No. 310300).

On January 22, 2002, the County Board of Supervisors adopted Resolution 02-031 establishing compensation for the Isla Vista Sidewalk Project of twenty dollars (\$20.00) per square foot of easement area conveyed (Clerk of the Board File No. 02-00103).

The property owners of 850 Camino Pescadero Road (Norbert Koscinski et al.) have offered to convey a permanent easement consisting of 745 square feet in exchange for \$14,900 of compensation.

The property owner of 6598 Seville Road (H&R Properties LP) has offered to convey a permanent easement consisting of 191 square feet in exchange for \$3,820 of compensation.

Execution of these Purchase Contracts will provide the County with the easements necessary for construction of the sidewalk improvements. Escrows will be opened at Chicago Title Company, 1101 Anacapa Street, Santa Barbara. Permanent Easement Deeds executed by the property owners will be brought to the Board of Supervisors for acceptance prior to the close of escrow.

The Transportation Division has reviewed this request and concurs with these real property transactions.

Mandates and Service Levels:

No change in programs or service levels.

Fiscal and Facilities Impacts:

Purchase of these easements will cost the County approximately \$21,000, which includes, in addition to the purchase price, expenses such as title insurance, escrow fees and other miscellaneous expenses.

The only impact to facilities will be the addition of the sidewalk improvements and required maintenance thereto.
