Summary Text:

The ONE805 organization, a 501(c)(3) corporation, was formed after the devastating Thomas Fire and the 01/09/2018 Debris Flow as an organization to raise money to purchase and donate equipment to Santa Barbara County local public safety agencies. This much needed equipment will provide enhance public safety by local agencies who normally can not afford this equipment due to budgetary constraints. ONE805 is donating a brand new 2019 Ford F-450 truck to the Sheriff's Office in order to tow a large command post trailer that is currently being built, and will be donated to the Sheriff's Office by ONE805 at a later date upon completion. The Sheriff recommends that the Board of Supervisors accept this donation pursuant to Section 25355 of the Government Code, Section 18944 of Title 2 of the California Code of Regulations, and Section 610-D4.1 of the County Administrative Manual.

Background:

The Sheriff is very grateful for donations to the Sheriff’s Office to fund equipment and services that enhance the department’s ability to meet law enforcement needs and response to natural disasters. The Sheriff’s Office maintains the capability to respond to a myriad of threats, emergencies, natural disasters and other calls for assistance from the public and other public entities. The donation of 2019 Ford F-450 will allow the Sheriff’s Office to tow a future command post trailer that is currently being built. The command post trailer is needed to assist the Sheriff’s Office in managing our response to emergency incidents and disasters where a remote command post is required to manage the incident and providing a staging area for personnel assigned to the incident. The Ford F-450 is required to tow that command post trailer due to the size of the trailer.
