

**RESOLUTION OF THE COUNTY OF SANTA BARBARA BOARD OF SUPERVISORS  
FOR THE COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA**

IN THE MATTER OF INSTITUTING PROCEEDINGS AND MAKING A FINDING OF PUBLIC NECESSITY FOR THE ACQUISITION OF CERTAIN PROPERTIES BY THE COUNTY OF SANTA BARBARA FROM KATHLEEN S. GRASSINI, TRUSTEE OR ANY SUCCESSOR TRUSTEE, OF THE KATHLEEN S. GRASSINI QUALIFIED PERSONAL RESIDENCE TRUST, UDT DATED JULY 18, 2000; LAWRENCE P. GRASSINI, TRUSTEE OR ANY SUCCESSOR TRUSTEE OF THE LAWRENCE P. GRASSINI QUALIFIED PERSONAL RESIDENCE TRUST, UDT DATED JULY 18, 2000

**RESOLUTION NO.** \_\_\_\_\_  
(4/5 vote required)

**BE IT RESOLVED** that the County of Santa Barbara Board of Supervisors (“COUNTY”), State of California, does hereby find and determine as follows:

A. COUNTY has approved the acquisition of a Native Landscape and Fish Passage Permanent Easement in connection with the Fernald Point Lane Bridge Replacement Project at Romero Creek herein referred to as the “Project”, described as a portion of County of Santa Barbara Assessor’s Parcel Number, 007–380–007 and as more fully set forth in Attachment 1 and Exhibits “A” and “B” attached hereto and incorporated herein (“Subject Property”); and

B. The Subject Property is being acquired for the PROJECT, i.e., the replacement of the existing Fernald Point Bridge No. 51C–0137, and for such all purposes under the authority of:

1. Article I, Section XIX of the California Constitution; and
2. Code of Civil Procedure; Section 1240.010, 1240.110 1240.120, 1230.020 and 1240.020;
3. Government Code Section 25350.5; and

C. The Subject Property is within the unincorporated area of the County of Santa Barbara, State of California, and is located at 1775 Fernald Point Lane, in the Community of Montecito, Assessor’s Parcel Number 007–380–007, as described in Attachment 1, Native Landscape and Fish Passage Permanent Easement, and as more fully set forth in Exhibit “A” and shown in Exhibit “B”, attached and incorporated herein, and;

D. That the Board considered the Mitigated Negative Declaration and the Mitigation Monitoring Program (15NGD-00000-00005) for the Proposed Fernald Point Lane Bridge Replacement Project at Romero Creek approved and adopted by the Board of Supervisors on June 21, 2016 and found that pursuant to State California Environmental Quality Act Guidelines Section 15162, no substantial changes are proposed, and there

are no substantial changes in circumstances or new information of substantial importance regarding significant impacts or feasibility of mitigation measures and alternatives and, therefore, pursuant to Section 15162, the recommended actions are within the scope of the project covered by the MND and no new environmental document is required. The COUNTY has complied with environmental review process under the provisions of CEQA Guidelines adopted by the Secretary of Resources; and

E. That the acquisition of the Subject Property is necessary for the PROJECT; the public interest and necessity require the PROJECT, and; the PROJECT is planned and located in a manner that is compatible with the greatest public good and the least private injury; and

F. That pursuant to Code of Civil Procedure Section 1245.235, notice and an opportunity to be heard was given to the person(s) shown on the last equalized County assessment roll for the Subject Property and said person(s) was/were provided with a written Appraisal Summary Statement and an Eminent Domain Process Summary; and

G. That pursuant to Government Code Section 7267.2 the owner(s) of record was/were offered just compensation for the Subject Property herein described.

**NOW, THEREFORE** the Board of Supervisors for the County of Santa Barbara, State of California does hereby find, determine, and resolve by at least four-fifths (4/5) vote:

1. The Subject Property is located within the County of Santa Barbara at 1775 Fernald Point Lane, in the State of California, County of Santa Barbara, Community of Montecito, and is a portion of Assessor's Parcel Number 007-380-007, described in Attachment 1, Native Landscape and Fish Passage Permanent Easement, as set forth in Exhibit "A" and shown in Exhibit "B", attached hereto are incorporated herein as though set forth at length and is made a part hereof.

2. The public interest and necessity require the PROJECT.

3. The PROJECT is planned and located in the manner that will be most compatible with the greatest public good and the least private injury.

4. The Subject Property described in the Resolution is necessary for the Project.

5. That the offer required by Section 7267.2 of the Government Code has been made to the owner or owners of record.

6. The COUNTY has complied with the environmental review process under the provisions of CEQA and the State CEQA Guidelines adopted by the Secretary of Resources.

7. The County Counsel of the County of Santa Barbara and Special Eminent Domain Counsel, the Law Offices of Oliver, Sandifer, and Murphy are authorized and directed to perform all acts necessary on behalf of the COUNTY for the acquisition of said Subject Property, and to do any and all other things in connection with such proceedings as in his/her or their judgment may be necessary or convenient to the successful conclusion of said proceeding or proceedings, including obtaining of an Order for Prejudgment Possession, the preparation, filing, amendment, dismissal, etc. of all pleadings and stipulations that in the opinion of Counsel are necessary for the processing of the litigation.

8. The County Counsel and the Director of the Public Works Department are hereby authorized to expend funds available to the COUNTY for the acquisition of the Subject Property herein described.

**BE IT RESOLVED** that the real property interests described in Attachment 1, set forth in Exhibit "A" and shown in Exhibit "B" be acquired by eminent domain in the name of the County of Santa Barbara for public use purposes, as specified herein, and County Counsel of the County of Santa Barbara and its Special Eminent Domain Counsel are hereby authorized, empowered, and directed to prepare and prosecute in the name of the COUNTY such proceeding or proceedings in the proper Court having jurisdiction thereof, as are necessary for such acquisition, and are authorized, at their discretion are authorized to apply for an order or orders fixing the amount of such security in the way of money deposits as said Court may direct, and or an order or orders permitting said COUNTY to take immediate possession and use of said Subject Property for the public purposes.

## **NATIVE LANDSCAPING AND FISH PASSAGE EASEMENT**

An easement for native landscape and fish passage ("Easement") for erosion control, riparian restoration and fish passage in the real property described in Exhibit A and depicted on Exhibit B attached hereto and incorporated herein. The area of the Easement is approximately 1,082 sq. ft.

The Easement will be used for the restoration and maintenance of Romero Creek as part of the Fernald Point Lane Bridge Replacement Project at Romero Creek # 862330, including erosion control and revegetation, riparian restoration, the safe passage of migratory aquatic wildlife, and will ensure that the migration within the low flow fish passage channel and notched rock weir will be protected and maintained in perpetuity by preventing any use that will impair or interfere with its purpose.

The Easement shall be monitored in accordance with California Fish and Game Code 1602, for the restoration of riparian vegetation and fish passage.

All other rights in the Easement not herein acquired shall be reserved to the owner including use rights that are not expressly prohibited herein and are not inconsistent with the purpose of the Easement.

Notwithstanding the foregoing, the following acts are expressly prohibited in the Easement:

- (a) The grading of land that would damage the vegetation, irrigation and fish passage facilities.
- (b) The physical removal of or damage to plants or other facilities installed as part of the restoration activities.
- (c) The physical removal of or damage to rest pools, notched rock weir or other facilities installed as part of the fish passage facility for migration of aquatic wildlife activities.
- (d) The placement of any materials, inert and/or organic, vegetation, or wildlife that may or will obstruct flow or operation of the fish passage facility.

State of California, Department of Fish & Wildlife, is an intended beneficiary of this Easement and shall have the right to enforce the conditions and restrictions imposed herein.

The Easement does not create a public street or highway.

The metes and bounds description, Exhibit "A" and depicted on Exhibit "B" of the Native Landscaping and Fish Passage Easement is as follows:
