Re: October 20, 2015 Hearing: Community Support for Alternative E – Eastern Goleta Valley Community Plan Update

Dear Honorable Chair and Supervisors:

Please find the attached one hundred twenty one postcards, signed by concerned and engaged members of our community, supporting the preservation of our few remaining urban farms in the Goleta Valley. The Goleta Valley has long been a thriving agricultural region, with rich soils and a perfect growing climate. These urban farms exemplify the visual character of our community and our beautiful region. Please, support Alternative E in updating the Eastern Goleta Valley Community Plan, the “win-win” solution that protects these urban farms.

Sincerely,

Nicole Di Camillo
Staff Attorney

A Voice for the Farms

Dear Board of Supervisors,

I am writing to ask you to protect the few remaining urban farms in the Goleta Valley by supporting Alternative E – the “win-win” alternative. These urban farms provide fresh produce at our local farmers markets, and bring in economic benefits to our community. Alternative E preserves our farms, allows for appropriate housing development, and protects the character of the Goleta Valley. Please...

PROTECT OUR URBAN FARMS... SUPPORT ALTERNATIVE E

Sincerely,

Michael Vellos
