REPORT OF CHARGES PROPOSED FOR THE)
COLLECTION ON THE TAX ROLLS)**

RESOLUTION NO. _____

WHEREAS, the Board of Supervisors of the County of Santa Barbara has heretofore established County Service Area No. 12 in the Mission Canyon Area of the unincorporated territory of the County to operate and maintain the public community sewer systems in that portion of the county where hook-ups to a community public system were required on or before September 1, 1987, and further to administer requirements for the installation and use of private wastewater disposal systems in those portions of County Service Area No. 12 where such private systems now or hereafter are permitted and required; and

WHEREAS, regular maintenance and pumping of private wastewater disposal systems ensure they are operating safely and effectively, thereby protecting the owner's property and their investment in their property; and

WHEREAS, charges are assessed on parcels with private wastewater disposal systems to cover the cost of offering, advertising and administering a rebate program to partially cover the cost of routine and regular pumping of their disposal system and other activities, hereinafter "services", that encourage the safe and effective operation of private wastewater disposal systems in County Service Area No. 12; and

WHEREAS, services directly benefit private wastewater disposal system users in County Service Area No. 12, at costs direct and indirect to the County of Santa Barbara for which the County should be reimbursed; and

WHEREAS, California Health and Safety Code §101325 provides that the Board of Supervisors may adopt a resolution prescribing fees to pay the reasonable expenses of the health officer incurred in the enforcement of any statute or regulation relating to public health; and

WHEREAS, on July 5, 2011, a report under Chapter 22A of the Santa Barbara County Code was filed with the Clerk of the Board which set the amount to be charged to each parcel of real property in County Service Area No. 12 for services, and was submitted to the Auditor's Office for collection on the tax rolls; and

WHEREAS, a public hearing on the said report relating to the proposed assessments within the County Service Area No. 12 is set for July 12, 2011, in the Board of Supervisors Hearing Room, Joseph Centeno Betteravia Government Administration Building, Santa Maria, California, and notice thereof published pursuant to Government Code Section 6066.

NOW, THEREFORE, IT IS RESOLVED AS FOLLOWS:

The charges for inspection, monitoring and administration of requirements for users of private wastewater disposal systems in County Service Area No. 12 for the 2011-12 fiscal year shall be TWENTY FOUR DOLLARS (\$24.00) annually (\$2.00 per month) for each dwelling unit equivalent.

PASSED AND ADOPTED by the Board of Supervisors of the County of Santa Barbara, State of California, this day of _____, 2011, by the following vote:
