Eric Peterson
Fire Chief
Santa Barbara County Fire Department
4410 Cathedral Oaks Road
Santa Barbara, CA 93110

Re: Fire Engines & Associated Equipment Donation

Dear Chief Peterson,

Please accept Allan Hancock Joint Community College District's (District) interest to receive vehicles and equipment from the Santa Barbara County Fire Department (Department). The Department has generously offered to donate two surplus fire engines and associated equipment to the District at an agreed upon market value of \$101,886 - please reference Attachment A. The District's Fire Technology program intends to utilize these valuable training tools during the course of delivering instruction. The District recognize the donation value as an offset to the accumulated facility use account balance resulting from the Department's use of the District's Public Safety Training Complex facility during the period January 1, 2015 to June 30, 2017, and its overall value to the program.

We value our long-standing partnership with the Santa Barbara County Fire Department. And appreciate the continued generosity and support for District's Fire Technology programs.

With much gratitude,

A handwritten signature in black ink, appearing to read 'Felix Hernandez Jr.', with a large, stylized flourish at the end.
