It is the general purpose of this Memorandum of Understanding to promote the mutual interest of the County and its employees and to establish rates of pay, and certain other terms and conditions of employment.

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to the Santa Barbara County Board of Supervisors and the members of the Association. It is agreed that this Memorandum of Understanding shall not be binding upon the parties - either in whole or in part - unless and until approved by the Association and unless and until approved by the Board of Supervisors.

The County agrees to maintain any and all benefits described herein during the term of this agreement.

**SECTION 1. RECOGNITION**

Pursuant to the provisions of the County Employee Relations Resolution 75-743 and applicable State law, the County of Santa Barbara hereby recognizes the Association as the certified majority representative of the employees in the above representation unit.

The Association agrees to provide the County's Personnel Director/Employee Relations Officer with a list of Association officers and representatives who are authorized to meet and confer in good faith. The Association shall also provide the above officials with a list of all authorized staff representatives. The County shall notify the Association of the duly authorized Management Representatives who are authorized to meet and confer in good faith.

All lists shall be kept current by the parties.

**SECTION 2. NON-DISCRIMINATION**

The provisions of this agreement shall be applied equally to all employees covered hereby without discrimination because of race, color, sex, age, disability, national origin, religious affiliation, or Association membership.

### SECTION 3. RIGHTS OF THE PARTIES

#### A. County Rights

1. The County retains, consistent with applicable laws, certain management rights which include the exclusive right to determine the methods, means, and personnel by which County Government operations are to be conducted, as well as to exercise complete control and discretion over its organization, operations, and technology of performing its work; to determine the mission, function and necessity of all or part of each of its constituent departments, boards and commissions and take all necessary actions to carry out their mission, functions and necessity, or any part thereof, as well as set standards of service to the public.
2. It also retains the sole right to administer the Civil Service system and, consistent with Civil Service rules and procedures, to classify or reclassify positions, add or delete positions or classes to or from the Salary Ordinance; to establish standards for employment, promotion, and transfer of employees; to direct its employees, establish rules and regulations, take disciplinary action for proper cause, to establish work schedules and work assignments, and to relieve its employees from duty for lack of work or other legitimate reasons. The County retains the right to be the sole judge, subject to its Civil Service Rules and Procedures, of the qualification and competence of its officers and employees.
3. The County reserves the right to take whatever action may be necessary in an emergency situation; however, a Recognized Employee Organization affected by the action shall be notified promptly of any such emergency action which affects matters within the scope of representation.
4. This section is not intended to restrict consultation with employees or employee representatives regarding matters within the right of the County to determine.

#### B. Employee Rights

1. Subject to the provisions of this agreement as well as other applicable law, employees of this unit shall have the right to form, join and participate in the activities of employee organizations of their own choosing for the purpose of representation of all matters of employee relations. Employees shall also have the right to represent themselves individually in their employment relations with the County. No

employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of his exercise of these rights.

C. Association Rights

1. The County shall deduct membership dues from employees in the Deputy District Attorneys representation unit when such deductions have been authorized in writing by the individual employee on a form acceptable to the Auditor-Controller and shall transmit such deductions to the Association.
2. Each pay period the County shall provide the Association with a membership dues checkoff list. Said list shall be without cost to the Association.
3. The Association agrees to indemnify, defend, and hold the County harmless against any claims made of any nature and against any suit instituted against the County arising from its checkoff for dues of the Association, or its failure to do so.
4. Reasonable time off with pay will be granted to Association officers and negotiators for the purpose of meeting and conferring or consulting with the County subject to the approval of the department head as to specific times.

SECTION 4. MEET AND CONFER OBLIGATIONS

Both the County and the Association agree to meet and confer in good faith regarding wages, hours, and other such terms and conditions of employment as are germane to the meet and confer process and shall fully consider such presentations as are made during those proceedings prior to arriving at a determination of position or policy.

"Meet and Confer in good faith" means that both the Board and the Association agree to comply with Government Code section 3500 et seq. in the meet and confer process.

SECTION 5. SALARY

- A. Effective January 5, 2015, salaries for employees represented by the Association will be increased by 3%.

Effective January 5, 2015, all employees in Deputy District Attorney IV and Deputy District Attorney Senior job classifications shall receive a 2% increase in salary within the existing bands for their respective job classifications. However, employees whose base rate of pay exceeds \$73.45 per hour shall not

receive this increase. This increase shall not result in a rate of pay above the top of the salary band for their classifications.

- B. Effective June 22, 2015, all employees in Deputy District Attorney IV and Deputy District Attorney Senior job classifications shall receive a 2.5% increase in salary within the existing bands for their respective job classifications. This increase shall not result in a rate of pay above the top of the salary band for their classifications.
- C. Effective December 7, 2015, salaries for employees represented by the Association will be increased by 1%.
- D. Effective June 20, 2016, all employees in Deputy District Attorney IV and Deputy District Attorney Senior job classifications shall receive a 3.0% increase in salary within the existing bands for their respective job classifications. This increase shall not result in a rate of pay above the top of the salary band for their classifications.
- E. Effective with anniversary months beginning in January 2014, employees in job classifications represented by the Association are eligible for merit step or performance-based increases per section F below. Such increases are limited to no more than one (1) step/performance-based increase per year upon the anniversary months for eligible employees during each year of this agreement.
- F. Movement within the salary range for Deputy District Attorney I, II, and III classifications shall be governed by Civil Service Rule 409. Increases on the salary band for Deputy District Attorney IV and Senior classifications shall be 0% for less than satisfactory performance, 2% for satisfactory performance, and 3.5% for exceptional performance.
- G. Bargaining Unit 17 shall enjoy “favored nations” status regarding base wages for comparable attorney classifications in Bargaining Units 20 and 30 through December 18, 2016.
- H. No sooner than September 1, 2015, the parties agree to reopen negotiations on wages for Association represented classifications during the final year of this agreement at the union’s request. There will be no negative salary movement as a result of these negotiations.

## SECTION 6. MEDICAL AND DENTAL COVERAGE

- A. For new employees, medical and dental coverage benefits under this Section shall be effective at the beginning of the month that immediately follows the employee's first pay period of employment in a regular position. Part-time employees must be employed a minimum of fifty percent (50%) of full-time in order to be eligible for insurance benefits.
- B. Preferred Provider Organization (PPO), Health Maintenance Organization (HMO) and Exclusive Provider Organization (EPO) medical plans, and PPO and Dental Maintenance Organization (DMO) dental plans shall be available to employees.
- C. The County shall contribute up to \$303.47 twice monthly toward the cost of the twice monthly premium for employee-only medical plan coverage. The County shall contribute up to \$13.03 twice monthly toward the cost of the twice monthly premium for employee-only dental plan coverage. These contributions are based on full-time employment; part-time employees shall receive a prorated contribution based on their percentage of full-time employment. Insurance plan premiums that exceed the County's contribution shall be paid by the employee through payroll deductions. Notwithstanding the above, during the term of this agreement the County shall pay 100% (prorated for part-time employees) of the least-expensive medical and dental EPO employee-only premiums.

Employees may select coverage from the following options:

Medical\*

- PPO Medical Plan(s)
- HMO Medical Plan(s)
- EPO Medical Plan(s)

\* All medical plans include employee assistance program coverage.

Dental

- County Self-funded Dental Plan
- DHMO/HMO Dental Plan

- D. Employees may ensure their eligible dependents (including registered domestic partners as defined below) under the medical and dental plans listed in C above, in accordance with the rules and regulations applicable to obtaining said dependent coverage.
- E. Employees who are placed on a leave of absence resulting from a medical condition including injury, illness, pregnancy and childbirth shall receive the County contribution toward health plan coverage for a leave period up to eighteen months. Premium amounts exceeding the County contribution and for dependents shall be the responsibility of the employee during the leave

period. If an employee has paid leave accruals in excess of eighteen (18) months at the start of the leave, the County will continue to make its contribution toward health coverage while paid leave is being used and until such time as the paid leave is exhausted.

- F. If two regular County employees are either a) married to each other or b) registered as domestic partners as defined below, and are both eligible for a contribution from the County toward employee-only medical and dental coverage, they may consolidate the County contributions toward the premium cost for “employee plus dependents” coverage held by one of the employees. In this situation, one employee (referred to below as the “spouse” or “partner”) becomes a dependent on the other employee’s (referred to below as the “primary employee”) medical and dental coverage.

In order to be eligible under this provision, all of the following conditions must be met:

- Both employees are covered by the same medical and dental plan;
- The spouse or partner is insured as a dependent on the primary employee’s medical and dental plan insurance;
- The spouse or partner has waived employee-only coverage;
- Both employees have authorized the consolidation of contributions on a form prescribed by the Human Resources Director.
- In the case of domestic partnerships, the employees must be so registered with a domestic partner registry maintained by a California city, county, the State of California, or a public jurisdiction in another state provided the affected employee(s) sign the County’s Declaration of Domestic Partnership form. Employees registering as domestic partners shall be responsible for all tax consequences of this benefit.

The amount of the consolidated contributions shall be that amount which would otherwise be contributed by the County toward the employee’s and the spouse’s or partner’s employee-only premiums for the respective medical and dental plans less the cost for participation by the spouse or partner in the Employee Assistance Program and the County’s healthcare advocacy program. The appropriate contributions shall be made by the respective departments employing each employee.

## SECTION 7. FLEXIBLE SPENDING ACCOUNT PLAN

- A. All full-time and part-time employees in Association represented classifications shall be eligible to participate in the County sponsored Flexible Spending Account Plan.

The Flexible Spending Account Plan will include the following salary reduction options:

1. Pre-Tax Health Insurance Premium Option - for employees and their dependents;
2. Pre-Tax Health Care Spending Account Option;
3. Pre-Tax Dependent Care Spending Account Option;
4. Pre-Tax Life Insurance Premium Option;
5. Pre-Tax Personal Accident Insurance Program.

The options are described in detail in the Flexible Spending Plan brochure and in the Legal Plan Document which is available to all employee organizations. Compensation received in accordance with Section 8 (Benefit Allowance) may be used by employees to fund the options described above. All salary reduction amounts are included in base salaries for the purpose of computing retirement earnings and are subject to appropriate Internal Revenue Service regulations.

The County shall meet and confer with the Association prior to revising the benefit options. The County agrees not to implement plan revisions unless a majority of recognized employee organizations agree to the proposed changes.

- B. Benefits selected under this plan cannot be changed during the plan year except for a change in family status consistent with the benefit change. Enrollment in the plan shall be offered on an annual basis at the beginning of the plan year. New employees may enroll within the first thirty (30) days of employment. Continued operation of the program shall be subject to County administrative procedures.

## SECTION 8. BENEFIT ALLOWANCE

- A. The County shall contribute \$236.51 per pay period per full-time employee as a benefit allowance. Regular part-time employees are eligible for this allowance based on a prorated equivalent of their employment status. The benefit allowance, which is received in cash, has a primary purpose of allowing employees to fund employee and dependent health insurance costs. Employees may also use the allowance to fund options in the Flexible Spending Account Plan and/or receive the remainder in cash.

- B. This allowance will be paid on a biweekly basis to each regular employee based on the prorated number of non-premium hours paid in a pay period.

SECTION 9. SICK LEAVE

- A. Each regular full-time or part-time employee shall accrue sick leave at the rate of .0463 hours for each hour in a regular pay status excluding overtime, call-back and standby duty.
- B. Employees represented by the Association shall receive eighty (80) hours sick leave accrual upon appointment or such prorated amount for regular part-time employees. Employees entering the unit from another County classification not eligible for this advance, shall retain their current sick leave balances and shall only receive additional sick leave accrual necessary to provide a balance of eighty (80) hours sick leave.
- C. Unused sick leave shall be cumulative from year to year, with no accrual limit.
- D. Sick leave usage may not exceed the employee's accrued sick leave balance reported on the Leave Report at the end of the pay period immediately preceding the pay period in which the leave is taken.
- E. A department head may require evidence in the form of a physician's certificate, or otherwise, of the adequacy of the reason for any employee's absence during the time for which sick leave was requested. Under no circumstances is sick leave to be used in lieu of, in addition to, or as vacation. The Auditor may require a physician's certificate from the department in order to determine correctness of payroll records.
- F. When a member of his immediate family is seriously ill or injured and requires his presence and attendance, an employee may be allowed by his appointing authority to use up to six days (48 hours) of his accumulated sick leave to attend such family member; provided, that not more than six days per year may be allowed for the illness or injury of any one member of the employee's immediately family. Subject to department head approval, an employee may exceed the six day limit to care for an immediate family member who has a catastrophic or life threatening illness as verified by a physician's statement.
- G. Up to a maximum of five days (40 hours) of his accumulated sick leave may be allowed by his appointing authority to an employee for absence from duty because of any and each death in his immediate family.

- H. For the purposes of Section F and G above, "immediate family" is defined as husband, wife, parent, step parent, brother, sister, child, step child, grandparent, grandchild, and mother-in-law or father-in-law of the employee.
- I. An employee may, when necessary and at the discretion of his department head, be granted up to two hours leave with pay to make voluntary nonremunerated blood donations to non-profit blood banks in the County. Time off in excess of two hours and up to an additional two hours may be used for this purpose, but such additional time off shall be charged to accumulated sick leave. Leave for the purpose of donating blood shall not exceed five times in any one calendar year.
- J. Each regular full-time or regular part-time with Accumulated Unused Sick Leave balances in excess of 240 hours as of September 17, 1978, will be eligible for sick leave pay off. Upon termination of employment from County services, 50% of the value of the Eligible Accumulated Unused Sick Leave hours will be paid at the employee's hourly rate in effect as of September 17, 1978. Eligible Accumulated Sick Leave hours are defined as the Accumulated Unused Sick Leave hours between 240 hours and 960 hours reported as of September 17, 1978, or if less, then hours reported by the time of termination.
- K. Any payment made under Section J above will be made only once to an employee in his work history with the County upon termination of employment. If an employee is subsequently rehired in the service of the County, incentive payment for Unused Sick Leave will not be applicable, and previous balances paid off upon termination will not be restored.
- L. Except upon layoff in accordance with Civil Service Rule XI, termination of County employment shall abrogate all sick leave accrued to the time of such termination, regardless of whether such person subsequently re-enters County employment of service. Except as provided in Section J, no payment shall be made to any employee for unused sick leave accumulated to his credit at the time of his termination from County service.
- M. Employees who retire from the County shall have their accumulated sick leave credit of up to 2,088 hours added to their term of service for purposes of calculating retirement benefits.

SECTION 10. VACATION

- A. For each hour in a regular pay status, excluding overtime, call-back, and stand-by, each regular full-time or regular part-time employee shall accrue vacation based on continuous County service as provided in the chart below.

<u>Continuous County Service</u>	<u>Hourly/Annual Accrual</u>	<u>Maximum Allowable Accrual</u>

- B. Annual vacation accrual may accumulate up to the Maximum Allowable Accrual provided for in the chart in A above.
- C. Notwithstanding the provisions of Sections A and B above, an employee absent due to a work-related injury, receiving Workers' Compensation Temporary Disability and unable to take vacation may accrue vacation above the Maximum Allowable Accrual. Following his/her return to work, the employee shall make every reasonable effort to promptly take vacation in excess of the Maximum Allowable Accrual.
- D. No payment in lieu of vacation shall be made to any employee except upon termination of employment. Terminating employees shall be paid for accumulated vacation as of the date of termination.
- E. An employee is not entitled to vacation credits or accrual unless or until they have been a regular employee for six (6) continuous months. Consequently, a person failing to complete such service receives no payment for vacation credits upon termination.
- F. Vacation shall not include any regular holidays taken during a vacation period.
- G. Employees may be required to take vacation with reasonable notice. In addition, employees may request vacation use.
- H. Vacation usage may not exceed the accrued vacation balance reported at the end of the prior pay period.
- I. At the time of appointment in units represented by the Association, employees appointed from outside Santa Barbara County government

J. In addition to any credit provided for in Paragraph I , above, permanent employees who separate from County service and then return may recoup their past service credit for purposes of vacation accrual under the following conditions:

- a. Employees may be absent from County service no more than three consecutive years; and
- b. Employees must have left County service in good standing and their last two performance evaluation ratings prior to leaving County service must have been satisfactory or above.

Former service credit, in such cases, shall be combined with the new and current employment, in addition to any received in accordance with Paragraph I, above, in determining the employee's vacation accrual rates.

B. All regular employees in a pay status (including paid leave) for any portion of pay period one each year, shall be credited with eight (8) hours holiday leave. Regular part-time employees shall receive a prorated equivalent. This holiday leave must be used during the payroll year and may not be accumulated from year to year. The floating holiday credit may be used in the same pay period in which it is accrued, subject to Paragraph C below.

C. Holiday leave shall be subject to the approval and/or taken at the direction of the appointing authority or designee.

- D. Each County holiday which falls on Saturday shall be observed on the preceding Friday; and, in this event, the Saturday shall not be considered as a holiday for purposes of compensation and/or time off. - G. When a holiday falls on an employee's regularly scheduled work day, the employee shall be paid eight (8) hours cash payment for the holiday. When a holiday falls on an employee's regularly scheduled day off, the employee shall accrue eight (8) hours of compensatory holiday time.
- H. When an employee who is overtime exempt is required to work on a holiday which falls on the employee's regularly scheduled work day, the employee shall, in addition to eight (8) hours regular cash payment for the holiday, accrue compensatory holiday time on an hour for hour basis for all hours worked up to eight (8) hours.
- I. Employees who accrue holiday time shall take the compensatory time during the payroll year in which the holiday is accrued.
- J. In order to receive holiday compensation, an employee must be in paid status on the scheduled work day immediately prior to and/or after the holiday. Neither the first day of employment nor the last day of employment may be a holiday.

## SECTION 12. LEAVE DONATION

Employees shall be eligible to participate as donors and recipients in the leave donation program, which provides a mechanism for assisting employees who have exhausted paid leave due to a serious or catastrophic illness or injury. This program allows a regular County employee to donate the monetary value of accrued vacation, holiday or overtime hours to a specific, eligible employee who has exhausted his/her own available leave balances. Serious or catastrophic illness or injury is defined as the employee's own adverse medical condition which requires the employee to be absent from work for more than twenty (20) consecutive work days, or a similarly

debilitating illness or injury of the employee's immediate family member (as defined in Section 9, Paragraph H) requiring the employee's attendance.

A. To receive leave donations, an employee:

- must have been employed in a regular position for a minimum of six months ;
- must be absent from work due to his/her own catastrophic illness or injury for more than twenty consecutive work days (as verified by a physician's statement), or be absent from work in order to attend his/immediate family member who has a catastrophic illness or injury (as verified by a physician's statement); and
- must have exhausted all earned leave balances (including sick leave [if related to the employee's own illness], vacation, overtime and holiday credits); except however, the appointing authority may approve the solicitation/acceptance of leave donations prior to all balances being exhausted, when the physician's statement and leave balances indicate the probable exhaustion of balances within two pay periods.

B. Donated leave shall be changed to its cash value at the donor's base rate of pay and then credited to the recipient in equivalent hours of vacation at the recipient's base rate of pay.

C. Donations:

- are voluntary;
- are made from accrued vacation, holiday or overtime balances; donation of sick leave is not permitted;
- must be for a minimum of eight (8) hours, in whole hour increments;
- are irrevocable, and if any donated hours remain at the end of the recipient's catastrophic leave, they shall remain available for the sole use of the recipient; and
- are taxable on the part of the recipient, in accordance with IRS regulations, and are subject to withholding as required by law.

D. An employee may not donate more than eighty (80) hours to any other individual employee.

- E. The total donations received into his/her vacation balance by an employee shall normally not exceed 1040 hours; however, donations in excess of 1040 hours may be considered and approved by the recipient's appointing authority.
- F. Upon approval of a request for donations, the appointing authority (or his/her designee) shall, at the employee's request, post a notice of the eligible employee's need for donations on departmental bulletin boards accessible to employees; confidential medical information shall not be included in the notice. If the eligible employee is in his/her original probationary period, the notice will include a statement of that fact.
- G. Donations shall be administered according to procedures established by the Auditor-Controller, and requested on a form prescribed by the Auditor-Controller. Signed approvals of the receiving and donating employees must be properly provided before a donation is processed.  
  
Donors and hours donated shall be maintained as confidential payroll information.
- H. Nothing in this section shall be construed to modify the employment relationship between the County and the receiving employee, or to restrict the County's management rights. Neither shall this section modify existing County rules, policies or agreements regarding unpaid leave of absence or family leave.

### SECTION 13. ADMINISTRATIVE LEAVE

Employees in classifications exempt from overtime compensation are eligible for administrative leave in accordance with the following provisions:

- A. Purpose. Salaried employees are compensated for meeting the requirements and performing the duties of their job regardless of the number or scheduling of hours worked. Such employees may be required periodically or routinely to work long or irregular hours, and to attend various meetings and functions outside of normal "business hours" to fulfill their responsibilities.

Due to standards of public accountability and the resulting need for all employees to account for all time for which they are compensated, the County has created a vehicle to record paid time off not charged to accrued leave balances when a salaried employee occasionally works less than his/her regular schedule. This paid time off is called administrative leave. The purpose of administrative leave is to provide a process for authorized leave time to record amounts to be paid to salaried employees when their pay period total regular hours plus any use of vacation, holiday or sick leave is less than their normal schedule (e.g., 80 hours for full-time employees).

- B. Approval Required. Salaried employees do not have a right to administrative leave. This leave is not an entitlement, is not related to hours worked nor is it subject to accrual or payment for unused leave. Use is completely discretionary, upon approval of the department head. Department heads may approve administrative leave in recognition of extraordinary work assignments, excessive work time beyond normal work schedules or to reward outstanding individual performance.
- C. Procedure. Salaried employees, after having recorded any regular, sick leave, holiday and/or vacation taken as appropriate in a pay period, may use administrative leave with the approval of their department head. The department head may grant a salaried employee up to 108 hours of administrative leave per payroll year. The County Administrator may approve additional administrative leave upon the written request of the department head.

#### SECTION 14. RETIREMENT

- A. The County offers the following retirement plans:
  - 1. Employees Hired Before October 10, 1994  
Contributory Retirement Plan, 2% at age 57 formula  
(Plan 5A – Half Rates FAS-1)
  - 2. Employees Hired On or After October 10, 1994  
Contributory Retirement Plan, 2% at age 57 formula  
(Plan 5B – Full Rates FAS-1)
  - 3. Employees Hired between June 25, 2012 and January 1, 2013  
Contributory Retirement Plan, 2% at age 61 1/4 formula  
(Plan 7 – Half Rates FAS-3)
  - 4. Employees Hired On or After January 1, 2013  
Contributory Retirement Plan, 2% at age 62 formula  
(Plan 8 – Full Rates FAS-3)

Employees hired on or after June 25, 2012 are not eligible for retiree medical subsidies.

- B. The County may adjust the employee contribution rates to the Contributory Retirement Plans when such adjustments are based on an Actuary Report, recommended by the Retirement Board and approved by the Board of

Supervisors. Prior to implementing employee contribution rate adjustments, the County shall give notice and upon request provide an opportunity to meet. The purpose of the meeting will be to discuss the implementation of the contribution rate changes. The effective date of the rate adjustments shall be in accordance with the applicable provisions of the County Employees Retirement Law of 1937.

- C. Beginning on June 25, 2012, employees will pay one-half of the annual increase in Retirement COLA Normal costs, not to exceed a cap in their increased costs of 2% in any given year.

#### SECTION 15. OVERTIME

- A. Employees represented by this agreement shall be exempt and shall not receive overtime compensation, except in an emergency as provided below.
- B. Regular employees in classifications exempt from overtime compensation and therefore not otherwise eligible for overtime pursuant to this agreement shall be paid overtime worked during an emergency as follows:
  - 1. No overtime compensation shall be paid for overtime work during an emergency for the first twelve (12) hours of such emergency overtime work;
  - 2. Overtime compensation shall be paid at straight time for the second twelve (12) hours of emergency overtime work; and
  - 3. Overtime compensation shall be paid at the rate of time and one-half for all hours of overtime worked in excess of twenty-four (24) hours during any such emergency.
- C. "Emergency" for the purposes of this section shall mean emergency in the County of Santa Barbara, duly declared in writing by the Board of Supervisors, the County Administrator, or Deputy County Administrator and shall also include emergencies in other jurisdictions in the State of California, approved in writing as an emergency by the County Administrator or Deputy County Administrator of the County of Santa Barbara.

#### SECTION 16. MILEAGE

Employees who, when authorized by their department, use their personal vehicle for County business shall be reimbursed for each mile driven on County business. Said reimbursement shall be at the amount per mile exempted by the Internal Revenue Service for reporting of income. If there are any changes in Internal Revenue Service exemptions, the County shall notify the Association.

## SECTION 17. BAR DUES
