Recommended Actions:

That the Board of Supervisors:

1. Set June 26, 2007 for a Public Hearing to:
 - a. declare all properties, whose owners have not complied with a notice to abate, as a fire nuisance; and
 - b. authorize the issuance of misdemeanor citations and necessary abatement work relative to the 2007 Fire Department Defensible Space Program (Weed Abatement); and
2. Direct the Clerk of the Board to post the affected Property Owners List in a place easily accessible to the public.

Summary Text:

The Fire Department's Defensible Space Program is an on-going annual program to mitigate fire hazards countywide, while providing protection of lives and property. The program is mandated by the California Health and Safety Code and its penalties are governed by law.

This request for a public hearing is required by your Board and is standard procedure for the Defensible Space Program. A sample of the "Notice to Abate Fire Nuisance" sent to the affected property owners is attached. The notice also indicates the date and time of the Public Hearing and ensures them the opportunity and right to express their views.

Fiscal and Facilities Impacts:

None related to this action.

Special Instructions:

Clerk of the Board is requested to follow normal publishing guidelines for notice.

Please send a copy of the minute order to the attention of Rose Pueschel, Fire Department.
