**Summary Text:**

The Santa Barbara County Sheriff's Office has been awarded a grant of \$100,000.00 from the State Alcoholic Beverage Control (ABC) to provide enhanced levels of law enforcement on crime related to

alcohol. This grant will be used to conduct minor decoy operations, develop and lead training for department personnel on enforcement of ABC laws, and develop training for vendors involved in the sale of alcohol. Overtime staff will be utilized to conduct the aforementioned activities during peak times and in those areas where alcohol consumption is most prevalent.

**Background:**

The Santa Barbara County Sheriff’s Office deals with thousands of alcohol related violations and incidents each year, due in part to the numerous alcohol licenses within the county. Of the total licenses in these areas, 83 are “on-sale” establishments and 50 are “off-sale” establishments. In the Isla Vista area there are 14 “on-sale” establishments and 6 off-sale licenses. These licensed establishments serve the Isla Vista population of 23,096. The City of Goleta borders the town of Isla Vista and has approximately 69 “on-sale” licenses and 44 “off-sale” licenses. Goleta’s licensed establishments serve a population of 29,888. The Goleta establishments are also utilized by Isla Vista’s population as well. Isla Vista has always had the highest percentage of alcohol-related crime in the County. This grant will allow the Sheriff’s Office the ability to provide enhanced levels of law enforcement to alcohol related crime.
