6. INDEPENDENT CONTRACTOR

It is mutually understood and agreed that CONTRACTOR (including any and all of its officers, agents, and employees), shall perform all of its services under this Agreement as an independent contractor as to COUNTY and not as an officer, agent, servant, employee, joint venturer, partner, or associate of COUNTY. Furthermore, COUNTY shall have no right to control, supervise, or direct the manner or method by which CONTRACTOR shall perform its work and function. However, COUNTY shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions hereof. CONTRACTOR understands and acknowledges that it shall not be entitled to any of the benefits of a COUNTY employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure. CONTRACTOR shall be solely liable and responsible for providing to, or on behalf of, its employees all legally-required employee benefits. In addition, CONTRACTOR shall be solely responsible and save COUNTY harmless from all matters relating to payment of CONTRACTOR's employees, including compliance with Social Security withholding and all other regulations governing such matters. It is acknowledged that during the term of this Agreement, CONTRACTOR may be providing services to others unrelated to the COUNTY or to this Agreement.

7. STANDARD OF PERFORMANCE

CONTRACTOR represents that it has the skills, expertise, and licenses/permits necessary to perform the services required under this Agreement. Accordingly, CONTRACTOR shall perform all such services in the manner and according to the standards observed by a competent practitioner of the same profession in which CONTRACTOR is engaged. 8. DEBARMENT AND SUSPENSION

CONTRACTOR certifies to COUNTY that it and its employees and principals are not debarred, suspended, or otherwise excluded from or ineligible for, participation in federal, state, or county government contracts. CONTRACTOR certifies that it shall not contract with a subcontractor that is so debarred or suspended.

9. TAXES

CONTRACTOR shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this Agreement and shall make any and all payroll deductions required by law. COUNTY shall not be responsible for paying any taxes on CONTRACTOR's behalf, and should COUNTY be required to do so by state, federal, or local taxing agencies, CONTRACTOR agrees to promptly reimburse COUNTY for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance.

10. CONFLICT OF INTEREST

CONTRACTOR covenants that CONTRACTOR presently has no employment or interest and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by CONTRACTOR. CONTRACTOR must promptly disclose to COUNTY, in writing, any potential conflict of interest. COUNTY retains the right to waive a conflict of interest disclosed by CONTRACTOR if COUNTY determines it to be immaterial, and such waiver is only effective if provided by COUNTY to CONTRACTOR in writing.

11. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY

COUNTY shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items, from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. CONTRACTOR shall not release any of such items to other parties except after prior written approval of COUNTY.

Unless otherwise specified in Exhibit A, CONTRACTOR hereby assigns to COUNTY all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials prepared or provided by CONTRACTOR pursuant to this Agreement (collectively referred to as "Copyrightable Works and Inventions"). COUNTY shall have the unrestricted authority to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use in whole or in part, any Copyrightable Works and Inventions. CONTRACTOR agrees to take such actions and execute and deliver such documents as may be needed to validate, protect and confirm the rights and assignments provided hereunder. CONTRACTOR warrants that any Copyrightable Works and Inventions and other items provided under this Agreement will not infringe upon any intellectual property or proprietary rights of any third party. CONTRACTOR at its own expense shall defend, indemnify, and hold harmless COUNTY against any claim that any Copyrightable Works or Inventions or other items provided by CONTRACTOR hereunder infringe upon intellectual or other proprietary rights of a third party, and CONTRACTOR shall pay any damages, costs, settlement amounts, and fees (including attorneys' fees) that may be incurred by COUNTY in connection with any such claims. This Ownership of Documents and Intellectual Property provision shall survive expiration or termination of this Agreement.

12. NO PUBLICITY OR ENDORSEMENT

CONTRACTOR shall not use COUNTY's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. CONTRACTOR shall not use COUNTY's name or logo in any manner that would give the appearance that the COUNTY is endorsing CONTRACTOR. CONTRACTOR shall not in any way contract on behalf of or in the name of COUNTY. CONTRACTOR shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the COUNTY or its projects, without obtaining the prior written approval of COUNTY.

13. COUNTY PROPERTY AND INFORMATION

All of COUNTY's property, documents, and information provided for CONTRACTOR's use in connection with the services shall remain COUNTY's property, and CONTRACTOR shall return any such items whenever requested by COUNTY and whenever required according to the Termination section of this Agreement. CONTRACTOR may use such items only in connection with providing the services. CONTRACTOR shall not disseminate any COUNTY property, documents, or information without COUNTY's prior written consent.

14. RECORDS, AUDIT, AND REVIEW

CONTRACTOR shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of CONTRACTOR's profession and shall maintain such records for at least four (4) years following the termination of this Agreement. All accounting records shall be kept in accordance with generally accepted accounting principles. COUNTY shall have the right to audit and review all such documents and records at any time during CONTRACTOR's regular business hours or upon reasonable notice. In addition, if this Agreement exceeds ten thousand dollars (\$10,000.00), CONTRACTOR shall be subject to the examination and audit of the California State Auditor, at the request of the COUNTY or as part of any audit of the COUNTY, for a period of three (3) years after final payment under the Agreement (Cal. Govt. Code Section 8546.7). CONTRACTOR shall participate in any audits and reviews, whether by COUNTY or the State, at no charge to COUNTY.

If federal, state or COUNTY audit exceptions are made relating to this Agreement, CONTRACTOR shall reimburse all costs incurred by federal, state, and/or COUNTY governments associated with defending against the audit exceptions or performing any audits or follow-up audits, including but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments and all other costs of whatever nature. Immediately upon notification from COUNTY, CONTRACTOR shall reimburse the amount of the audit exceptions and any other related costs directly to COUNTY as specified by COUNTY in the notification.

15. INDEMNIFICATION AND INSURANCE

CONTRACTOR agrees to the indemnification and insurance provisions as set forth in EXHIBIT C attached hereto and incorporated herein by reference.

16. NONDISCRIMINATION

COUNTY hereby notifies CONTRACTOR that COUNTY's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and CONTRACTOR agrees to comply with said ordinance.

17. NONEXCLUSIVE AGREEMENT

CONTRACTOR understands that this is not an exclusive Agreement and that COUNTY shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by CONTRACTOR as the COUNTY desires.

18. NON-ASSIGNMENT

CONTRACTOR shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of COUNTY and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION

A. By COUNTY. COUNTY may, by written notice to CONTRACTOR, terminate this Agreement in whole or in part at any time, whether for COUNTY's convenience, for nonappropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein.

1. **For Convenience.** COUNTY may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, CONTRACTOR shall, as directed by COUNTY, wind down and cease its services as quickly and efficiently as reasonably possible, without performing

unnecessary services or activities and by minimizing negative effects on COUNTY from such winding down and cessation of services.

2. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or COUNTY governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then COUNTY will notify CONTRACTOR of such occurrence and COUNTY may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, COUNTY shall have no obligation to make payments with regard to the remainder of the term.
 3. **For Cause.** Should CONTRACTOR default in the performance of this Agreement or materially breach any of its provisions, COUNTY may, at COUNTY's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, CONTRACTOR shall immediately discontinue all services affected (unless the notice directs otherwise) and notify COUNTY as to the status of its performance. The date of termination shall be the date the notice is received by CONTRACTOR, unless the notice directs otherwise.
- B. By CONTRACTOR. Should COUNTY fail to pay CONTRACTOR all or any part of the payment set forth in EXHIBIT B, CONTRACTOR may, at CONTRACTOR's option terminate this Agreement if such failure is not remedied by COUNTY within thirty (30) days of written notice to COUNTY of such late payment.
- C. Upon termination, CONTRACTOR shall deliver to COUNTY all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by CONTRACTOR in performing this Agreement, whether completed or in process, except such items as COUNTY may, by written permission, permit CONTRACTOR to retain. Notwithstanding any other payment provision of this Agreement, COUNTY shall pay CONTRACTOR for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of COUNTY is necessary to determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by CONTRACTOR, the decision of COUNTY shall be final. The foregoing is cumulative and shall not affect any right or remedy which COUNTY may have in law or equity.

20. SECTION HEADINGS

The headings of the several sections, and any Table of Contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. NO WAIVER OF DEFAULT

25. ENTIRE AGREEMENT AND AMENDMENT

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel.

Reference: Proposal for FY 2022-2023: Regulatory Compliance Consulting Services for Five County of Santa Barbara Solid Waste Landfill Facilities

Dear Ms. Wilder:

Geosyntec Consultants Inc. (Geosyntec) is pleased to present this proposal for continued Regulatory Compliance Consulting Services to the County of Santa Barbara Resource Recovery and Waste Management Division (RRWMD). The enclosed Regulatory Compliance Consulting Services Scope (Scope) includes tasks to support Monitoring and Reporting Program (M&RP) compliance for five County-owned solid waste landfills (Landfills), including Tajiguas Municipal Solid Waste Landfill (TL), Santa Ynez Airport Closed Landfill (SYACL), Ballard Canyon Closed Landfill (BCCL), Foxen Canyon Closed Landfill (FCCL), and New Cuyama Closed Landfill (NCCL). The Scope also includes support tasks for submittal of regulatory compliant deliverables to the Central Coast Regional Water Quality Control Board (CCRWQCB), the Santa Barbara County Air Pollution Control District (SBCAPCD), and the Environmental Protection Agency (EPA).

Geosyntec prepared this proposal based on the March 25, 2022 *Request for Proposals – Regulatory Compliance Services for 2022-2023, Tajiguas Landfill and Closed Landfills*, previous discussions with RRWMD, and our current understanding of the level of effort needed to conduct the identified tasks. The task details are described in detail below.

Task 1. RRWMD Analytical Database and Geodatabase Management

Geosyntec constructed and currently manage a database for the RRWMD with historical laboratory analytical data collected from three laboratories and the CCRWQCB Geotracker database; field data collected by RRWMD and their consultants; and finally, site geospatial data and historical groundwater gauging data. The database will continue to be updated at quarterly intervals with new groundwater, stormwater, landfill gas volume, and condensate volume data provided by the RRWMD, their consultants,

and analytical laboratories. The list below describes the current tasks that are necessary to manage the RRWMD analytical database and geodatabase on a quarterly basis:

- Laboratory EDD Management:
 - Organization and management of electronic data deliverables (EDDs) of chemical analytical data received from BC Laboratories, including groundwater, storm water, landfill gas, leachate, and condensate matrices.
- Field Data Management:
 - Transcription of groundwater field sampling data sheets (groundwater field parameters, sample information, and groundwater elevation gauging data) provided by RRWMD sampling subcontractor(s), and normalization with historical database.
- Ongoing import of Historical Data for the five Landfills:
 - O&M, LFG, leachate systems, stormwater, boring logs, Landfill liner limits (as applicable), and historical groundwater data (older than 2005).
- SharePoint Management:
 - Host SharePoint site to transfer data between RRWMD and Geosyntec
 - Manage RRWMD user permissions and Site access
- On-going Database Maintenance, QA/QC and Management:
 - Maintenance of software and systems, including software updates
 - The database tasks described above will be implemented following Geosyntec Quality Assurance/Quality Control practices.

The databases may be expanded to manage additional data for the RRWMD at additional cost, per the attached rate schedule.

Task 1 Estimate: \$50,140

Task 2. Regulatory Compliance Monitoring and Reporting Support

Prepare specific components of semiannual reporting deliverables for submittal to the CCRWQCB, in compliance with applicable Waste Discharge Requirements (WDR) and Monitoring and Reporting Program (MRP) requirements. For TL, Geosyntec will prepare written Semiannual reports and the accompanying deliverables listed below. For the four RRWMD-operated closed landfills (BCCL, FCCL, SYACL and NCCL), Geosyntec will prepare the reporting elements and deliverables listed below (as required and appropriate for each landfill), but will not prepare the written Semiannual reports (to be prepared by RRWMD staff). Report texts for TL will be signed by a California licensed Professional Engineer (PE) or Professional Geologist (PG) for submittal to the CCRWQCB. Geosyntec will coordinate and confirm the groundwater analytical field sampling scope with RRWMD's subcontractors (Blaine Tech and Pace Analytical Services) as appropriate for the requirements of each landfill, such as:

- Resampling based on previous events' results;
- 5-year constituent of concern sampling at FCCL;

- Routine quarterly sampling at TL; and
- Temporary quarterly sampling at BCCL.

Geosyntec will prepare and submit the required WDR and/or M&RP compliant deliverables for the compliance reporting periods between 1 July 2022 through 30 June 2023, including:

For the five RRWMD-operated Landfills:

- MRP compliant groundwater statistical analyses using Sanitas™ software and prepare written text summary, summary table, time-series plots, and intrawell prediction limit graphics;
- Non-statistical data review and provide resampling recommendations to RRWMD staff;
- Event summary and historical summary statistics tables;
- Laboratory analytical data validation review, and when necessary, preparation of data validation memoranda;
- Laboratory analytical summary data tables;
- Chemical time-series plot figures for groundwater and landfill gas systems;
- Groundwater time-series hydrographs;
- Groundwater gradient and direction calculations and supporting figures;
- Site location and site features figures;
- Mass removal calculations for landfill gas and leachate collection and removal systems;
- Groundwater quality chemical trend analyses; and
- Recommendations or efficiency identifications, as appropriate.

For Tajiguas Landfill only:

- Report text, including recommendations as appropriate, for CCRWQCB submittal; and
- GeoTracker data uploads upon report submittal and RRWMD approval.

Task 2 Estimate: \$128,960

Task 3. Landfill Gas and Surface Emissions Monitoring and Reporting Support for the Tajiguas Landfill

Geosyntec will support RRWMD's Landfill Gas (LFG) and Surface Emissions Monitoring (SEM) compliance monitoring and reporting, including the Annual Compliance Report (ACR) to be submitted to the Santa Barbara County Air Pollution Control District, and Compliance Verification Reports (CVR) to be submitted to the US Environmental Protection Agency. Geosyntec will perform the following tasks to facilitate reporting:

- Surface emissions data incorporation to laboratory analytical database and spatial geodatabase;
- For the TL: CVR and ACR surface emissions figure generation, assuming a maximum of 12 monitoring events (4 instantaneous monitoring events, 4 integrated monitoring events, and 4 potential re-monitoring events).

- For the FCCL: Annual CVR and ACR surface emissions figure generation, assuming a maximum of 2 figures per year.
- Data management and generation of tables (quarterly SEM data tables, semiannual LFG well downtime, semiannual LFG wellhead monitoring data, and semiannual leachate volumes).

Task 3 Estimate: \$39,280

Task 4. Remedial Systems Analysis and Modeling Updates

Remedial Systems Analysis:

Geosyntec will conduct a desktop review of current environmental management systems (EMS) at the RRWMD-operated landfills, focusing on one or more of the systems at the BCCL, including but not limited to the landfill gas (LFG) system, as directed by the RRWMD. The results of the desktop review will be provided to the RRWMD in a Technical Memorandum format, summarizing Geosyntec's findings and recommendations.

Additionally, following the BCCL LFG desktop review, Geosyntec may conduct a field evaluation of LFG system integrity, and if recommended, prepare a workplan for rebound testing for submittal to CCRWQCB upon RRWMD approval.

Pending analysis of recent SYACL LFG data collection, Geosyntec will prepare a longer-term decommissioning workplan for environmental management systems at SYACL, for submittal to CCRWQCB upon RRWMD approval.

Modeling Updates

Geosyntec will continue to operate and update the Tajiguas 3D conceptual site model (CSM) with the following:

- Additional LFG well attributes;
- Updated groundwater elevation data;
- Updated digital elevation model;
- APN boundaries and parcel numbers;
- Operational boundaries;
- Leapfrog software assistance and CSM best practices and assistance for RRWMD staff; and
- Additional updates at the direction of RRWMD, as task budget allows.

Task 4 Total Estimate: \$46,930

Task 5. Leachate Treatment Options for the Tajiguas Landfill

Geosyntec will continue to provide support for the evaluation of beneficial reuse of treated leachate liquids (including groundwater interceptor trench water) at the TL. Geosyntec will evaluate the items bulleted below, to support the RRWMD evaluation of potential testing and treatment options. Geosyntec assumes all field sampling, laboratory and subcontractor costs to be outside the scope of this estimate.

- Ship leachate and water samples to selected vendor for off-site bench-scale performance testing, to evaluate treatment effectiveness given the site-specific water chemistry and for evaluation of the need for, and cost of, pilot system testing, if recommended based on the bench-scale testing results. Results will be summarized in a memorandum for the RRWMD.
- Evaluation of permitting path for the potential beneficial reuse of treated GWIT and leachate liquids at the TL, summarized in a memorandum for the RRWMD.
- Project management and as-need support, such as coordination with the CCRWQCB to present the recommended treatment and use option, to gain concurrence prior to vendor/technology purchase.

Additionally, under Task 5, Geosyntec will provide as-needed support to respond to investigative orders regarding sampling, analysis, and evaluation of per- and polyfluoroalkyl substances (PFAS), including the following deliverables:

- Sampling and Analysis Report for PFAS sampling at the TL, assuming two sampling events; and
- Sampling and Analysis Report for PFAS sampling at BCCL, assuming one sampling event.

Task 5 Estimate: \$43,170

Task 6. Environmental System Evaluation and Optimization

Geosyntec will provide on-call support and system optimization recommendations for the TL Leachate Recovery and Collection Systems (LCRS) 1 through 5 at the direction of RRWMD. This task assumes the following:

- Development of Operations and Maintenance Manuals for each of the five LCRS:
 - LCRS #1: Groundwater Interceptor Trench
 - LCRS #2: Liner Leachate Collection and Recovery System
 - LCRS #3: Horizontal Well Dewatering System
 - LCRS #4: Vertical Well Dewatering System
 - LCRS #5: Horizontal Liner Leachate Collection and Recovery System
- On-call support for as many as five days at the TL conducting routine operations and maintenance, at the direction of RRWMD.

Geosyntec will perform a field evaluation and provide operational recommendations and/or optimizations for the flare system at the FCCL. Findings and recommendations will be provided to RRWMD in the form of a Technical Memorandum.

Geosyntec assumes 5-days of on-site coordination with RRWMD staff may be required to sufficiently prepare the OM&M manuals for the systems named above. If RRWMD has existing engineering reports, as-built drawings and schematics, and permits for the original LCRS systems at the time of their installation, those items may help expedite the timeline to create the OM&M manuals for RRWMD use.

Task 6 Estimate: \$45,890

Task 7. As-Needed Compliance Consulting Services

Under this task, Geosyntec may provide as-needed consulting support services for new or other regulatory compliance consulting services related to the five County-owned Landfills, as available in the task budget and at the direction of RRWMD. Example as-needed services may include but are not limited to:

- As-needed specialty technology support for SCADA and telemetry for the various EMS at TL;
- APCD, CCRWQCB or EPA regulatory requests.

Task 7 Estimate: \$15,000

Terms and Conditions

We assume that the proposed services will be conducted under the terms and conditions of the Service Agreement contract between Geosyntec and the County. The total estimated costs for the 2022-2023 M&RP Compliance Consulting Services Scope of work described above are: **\$369,370**. Cost Estimate details are provided as Attachment 2.

This proposal is valid for 90 days. Geosyntec continues to appreciate the opportunity to work closely with the RRWMD on these technical projects. Please contact us if you have questions.

Sincerely,
Geosyntec Consultants, Inc.

EXHIBIT C

Indemnification and Insurance Requirements (For Environmental Contractors and/or Consultant Contracts)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR'S indemnification obligation applies to COUNTY'S active as well as passive negligence but does not apply to COUNTY'S sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, its agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$2,000,000 per occurrence and \$4,000,000 in the aggregate.
2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONTRACTOR has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease. ***(Not required if CONTRACTOR provides written verification that it has no employees)***
4. **Contractor's Pollution Liability and/or Asbestos Pollution Liability and/or Errors & Omissions:** applicable to the work being performed, with a limit no less than \$2,000,000 per claim or occurrence and \$2,000,000 aggregate per policy period of one year.

If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the COUNTY requires and shall be entitled to the broader coverage and/or the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used).
2. **Primary Coverage** – For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR'S obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required

insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
