Recommended Actions:

That the Board of Supervisors:

- a. Authorize the Chief Probation Officer to apply for and accept the anticipated Anti-Drug Abuse (ADA) Enforcement Team Program award in the amount of \$218,164 from the California Emergency Management Agency (Cal EMA) for Fiscal Year 2010-2011.

Summary Text: The ADA Enforcement Program is administered by Cal EMA utilizing federal Justice Assistance Grant (JAG) monies awarded to the state by the Department of Justice, Bureau of Justice Assistance (BJA). Santa Barbara County's ADA funds historically have been combined with JAG funds allocated directly to the County from BJA and utilized to support the Santa Barbara Regional Narcotic Enforcement Team (SBRNET), a local multi-jurisdictional drug task force.

During the period covered by the ADA grant, Santa Barbara County will utilize the funds to continue the operation of SBRNET which targets narcotic vendors operating in, or trafficking through the County. The project also focuses on probation and parole cases with ties to narcotic use or sales, especially those with gang associations. By targeting these areas of investigation, the project will continue to positively impact the community by reducing drug trafficking and related crimes in Santa Barbara County;

effectively decreasing violent crime. It is noted that multi-jurisdictional narcotic task forces are the only allowable use of the funds.

Background:

The County Law Enforcement Chiefs (CLEC) and other members of the SBRNET Steering Committee meet each year to develop the allocation plan for these funds. SBRNET is a collaborative effort between all local law enforcement agencies to apply specific strategies designed to reduce the flow of narcotics into and through the County. The project uses searches, buy-bust operations, and street sweeps as some of the tactics by which to accomplish the desired reduction of narcotic distribution in Santa Barbara County. The agencies involved in the project include the Santa Barbara County Probation Department, the Santa Barbara County District Attorney’s Office, the Santa Barbara County Sheriff’s Department, the Santa Barbara Police Department, the Lompoc Police Department, the Santa Maria Police Department, the Guadalupe Police Department, the State of California Highway Patrol and the State of California Department of Justice, Bureau of Narcotic Enforcement.

The SBRNET Steering Committee met on May 26, 2010 to discuss an allocation plan for the BJA JAG funds and preliminary plans for the ADA allocation. However, the funding amount was not known at that time and only an estimate could be provided. The State’s allocation plan was posted and made available on July 30, 2010. The grant solicitation requirements dictate that the Steering Committee must meet to finalize an allocation plan prior to the application submission deadline of September 1, 2010. In prior years the Department has not brought the matter before the Board until an allocation plan was adopted by the Steering Committee; however, due to the Board’s summer recess and the state’s submission deadline of September 1, this was not an option.
