Hello Applicant,

The 2017-2018 Grants and Cooperative Agreement's Program has completed the statutory 30-day appeal period.

Congratulations! The following project(s) submitted by Name of Agency were successful in the grant process:

Project Number	Project Title	Request Amount	Award Amount	Start Date
G17-03-87-L01	LAW ENFORCEMENT	\$153,274	\$74,435.00	

Upon approval from the Director of the Department of Parks and Recreation, your grant administrator will be working with you to finalize the project agreement(s). Please note, the earliest a project can start is 07/05/18.

Additionally, attached are the Division's factual findings for your project(s). Please review and make all necessary changes, if applicable, to the Project Cost Estimate in OLGA. For law enforcement projects, in addition to the Factual Findings, changes in the Project Cost Estimate must be made to match the Award Amount identified above. After the Project Cost Estimate is adjusted, you will need to save, validate and resubmit the project(s).

Please contact your grant administrator and inform him/her of the changes you made in OLGA and once your project has been submitted. OLGA does not notify the grant administrator of the submission or of changes made.

Once this information is received, the Division will generate a project agreement that will be mailed to you with further instructions.

Please respond with a start date for all of the project(s) listed above.

If you have questions, please do not hesitate to contact me, grant administrator, Debbie Avery, at 916-342-1615 or email me at [Deborah.Avery@parks.ca.gov](mailto:Deborah.Avery@parks.ca.gov)

Thank you for your attention to this matter.

Regards,

Debbie Avery
