Mr. Matthew Pontes
Director of General Services
County of Santa Barbara
105 East Anapamu Street
Santa Barbara, CA 93101

Dear Mr. Pontes:

Santa Ynez Airport
AIP Project No. 3-06-0243-013-2013
Tentative Allocation

In response to the request of County of Santa Barbara, it is a pleasure to advise you that the Federal Aviation Administration (FAA) has allocated \$148,226.00 under fiscal year 2013 Airport Improvement Program (AIP) for further development of Santa Ynez Airport. This project, designated AIP 3-06-0243-013-2013, is programmed only for the following specific development:

1. Security Enhancements include rehabilitation of surface road, drainage, fencing and gate improvements. (Design-Only)

This allocation of federal funds is the first step leading to the issuance of a grant offer. The issuance of a grant offer is contingent upon the fact that all applicable federal requirements have been met.

A representative of our office may contact your airport representative in a few days for the purpose of assuring a clear understanding of all requirements, to establish a realistic work schedule for the project, and to fix a firm date for the acceptance of the grant offer.

If you have any questions, please feel free to contact me at (310)725-3627 or send me an email: manson.wong@faa.gov

Sincerely,

Manson W. Wong
Airports Program Manager
