Title: Establish Appropriation For A For CalFire Grant Award

Budget Action: Establish appropriations of \$179,000 in the Fire Department Fire Protection District fund for Capital Assets funded by a grant award from California Department of Forestry and Fire Protection (CAL FIRE) California Climate Investment (CCI) Fire Prevention Program.

Justification: The Santa Barbara County Fire Department has been selected to receive the California Department of Forestry and Fire Protection (CAL FIRE) California Climate Investment (CCI) Fire Prevention Program grant in an amount not to exceed \$179,000.00.

The Agreement allows the Santa Barbara County Fire Department to use \$179,000.00 in State grant money to purchase fuel reduction maintenance equipment to support maintenance of existing fuel reduction projects. In addition, the equipment will be used to support future fuels management projects as needed.

The equipment consists of a chipper and a pick up truck to tow the chipper. This equipment will be used by the Santa Barbara County Fire Department to dispose of cut vegetation from various fuels reduction projects as well as community chipping programs throughout the county.
