To Whom it may concern:
Clerk of the Board

I would like to formally protest the rate increase for the sewer service by the Laguna County Sanitation District.

This written statement is being provided by :

There are so many increases for various school bond issues etc. this is just a bad time to be raising rates, especially with the tragedy of the Coronavirus Crisis and so many people having to struggle.

Respectfully Submitted,

Joyce M. DeLozier

To whom it may concern,

I contest the proposed sewer rate increase. This county has the highest sewer rates on the central coast you are making it unaffordable for me in this county.
