

**RESOLUTION OF THE SANTA BARBARA COUNTY
BOARD OF SUPERVISORS**

A RESOLUTION DECLARING THAT THE **THE MAIN-BEGG FARMHOUSE WITH CISTERN** LOCATED AT 5001 HOLLISTER AVENUE, GOLETA, CALIFORNIA, ASSESSOR'S PARCEL NO. 065-332-007, MEETS THE ELIGIBILITY CRITERIA FOR A COUNTY HISTORIC LANDMARK AND IS WORTHY OF PROTECTION UNDER CHAPTER 18A OF THE SANTA BARBARA COUNTY CODE; AND DESIGNATION OF THE MAIN-BEGG FARMHOUSE WITH CISTERN AS COUNTY LANDMARK #52 PRESCRIBING CONDITIONS TO PROTECT AND PRESERVE IT

RESOLUTION No. 2020-____

WHEREAS, the Santa Barbara County Board of Supervisors has considered the historical significance of the MAIN-BEGG FARMHOUSE WITH CISTERN located at 5001 Hollister Avenue, Goleta, California, on Assessor's Parcel No. 065-332-007 and as shown on the map and legal description attached hereto as Exhibit A, in accordance with the requirements, standards and criteria contained in County Code, Chapter 18A, and has determined that it is worthy of protection as a County Historic Landmark; and

WHEREAS, the Commission finds that the MAIN-BEGG FARMHOUSE WITH CISTERN is historically significant because:

1. It exemplifies special elements of the County's cultural, social, economic, and architectural history and reflects the historical era of the late nineteenth and early twentieth century agricultural development in the Goleta Valley. The farmhouse (1911) and cistern (c. 1912-1920) were built by the walnut rancher Robert Main and the property was the home of Main and Begg family members during the era of ranch operations (1911-1958) and in subsequent years; and
2. It is associated with Robert Main, a person who made significant contributions to the economic, civic, and cultural history of the Goleta Valley. The property is also associated to a lesser, but nonetheless important, extent with the Begg family, another pioneering immigrant Scottish clan whose members made important contributions to local history and occupied the nominated property for many years; and
3. It embodies distinctive characteristics of a style, type, period or method of construction. The farmhouse has retained a high level of historical integrity and is an excellent example of an early twentieth century craftsman style rural home. The cistern is a rare surviving type of water-storing structure

characterized by its subsurface installation, circular form, and masonry materials; and

4. The property's location and unique craftsman style physical characteristics, which were constructed in 1911, has been a prominent visual feature on the Goleta Valley's oldest and most important roadway, Hollister Avenue, and is therefore an established and familiar feature in the neighborhood and community; and
5. The farmhouse is one of a few remaining craftsman style ranch houses in the County dating from the early twentieth century that has retained such a high level of historical integrity. The cistern, likewise, is one of the few remaining water storage structures of its type that were commonly used on agricultural properties during the same era.

WHEREAS, designation of the MAIN-BEGG FARMHOUSE WITH CISTERN shall not require the expenditure of an unreasonable amount of money to carry out the purpose of County Code, Chapter 18A;

NOW, THEREFORE IT IS FOUND, DETERMINED AND RESOLVED as follows:

1. The residence known as the MAIN-BEGG FARMHOUSE WITH CISTERN located at 5001 Hollister Avenue, Goleta, California, on Assessor's Parcel No. 065-332-007, meets the eligibility requirements for a Historic Landmark as described in County Code, Chapter 18A, Section 18A-3, and is worthy of protection.
2. The Santa Barbara County Board of Supervisors hereby designates the MAIN-BEGG FARMHOUSE WITH CISTERN as a Historic Landmark, subject to the following conditions:
 - a. Except as set forth in subsection d. below, demolition, removal or destruction, partially or entirely, is prohibited unless an application has been submitted to the Historic Landmarks Advisory Commission and express consent in writing is first had and obtained from the Commission. Such consent may impose all reasonable conditions deemed appropriate by the Commission to accomplish the purposes of County Code, Chapter 18A.
 - b. Except as set forth in subsection d. below, no alterations, repairs, additions or changes (other than normal maintenance and repair) shall be made unless and until an application has been submitted to the Historic Landmarks Advisory Commission and all plans for such work have first been reviewed by the Commission and approved or modified, and reasonable conditions imposed as deemed necessary, and that all such work shall be done under the direction and control of the commission or other qualified persons designated by it.

- c. The foregoing conditions shall not be imposed in such a way as to infringe upon the right of the owners of the MAIN-BEGG FARMHOUSE WITH CISTERN to make any and all reasonable uses of the property that are not in conflict with the purposes of County Code Chapter 18A.
 - d. The interior of the MAIN-BEGG FARMHOUSE is not subject to the foregoing conditions set forth in subsections 2.a. and 2.b.
3. This designation shall expire after a period of ninety days, unless prior to the expiration of ninety days the Board of Supervisors shall have confirmed the action of the Historic Landmarks Advisory Commission pursuant to County Code, Chapter 18A, Section 18A-2.
