Assistant Deputy Director, Primary Care & Family Health Division
SUBJECT: Pueblo Radiology Medical Group Service and License Agreements

County Counsel Concurrence

As to form: Yes

Other Concurrence: Risk Management

As to form: Yes

Auditor-Controller Concurrence

As to form: Yes

Recommended Actions:

That the Board of Supervisors consider the following recommendations:

- a) Approve and authorize the Chair to execute an Agreement for Services of Independent Contractor with Pueblo Radiology Medical Group in the amount not to exceed \$300,000 that includes the \$100,000 under Purchase Contract CN#18158 with Pueblo Radiology Medical Group but otherwise cancels, nullifies, and supersedes Purchase Contract CN#18158, to provide radiology services for the period of July 1, 2015 through June 30, 2019 (Attachment A).
- b) Approve and authorize the Chair to execute a License Agreement with Pueblo Radiology Medical Group for the period of July 1, 2017 through June 30, 2019 (Attachment C).
- c) Determine that these activities are exempt from California Environmental Quality Act review per CEQA Guideline Section 15378(b)(4), since the recommended actions are government fiscal activities which do not involve commitment to any specific project which may result in a potentially significant physical impact on the environment.

Summary Text:

This item is on the Agenda for approval and execution of two new Agreements with Pueblo Radiology Medical Group ("Pueblo Radiology") to provide radiology services for Public Health patients and to authorize a License Agreement for continued use of space at County Building 3.

Since 2012, Pueblo Radiology has provided basic radiology services to County Public Health Department (PHD) patients from the radiology facilities at the Santa Barbara Health Care Center. This

item sets the terms for providing radiology services as well as a new License Agreement that replaces an existing Lease Agreement for Pueblo Radiology to use the designated space at 315 Camino Del Remedio to support radiology services.

Background:

The PHD ceased operating its Radiology program in 2012 because there was insufficient need to warrant radiology access five days per week for County patients. There is, however, sufficient need for onsite radiology to support the PHD Orthopedic Specialty Clinic which operates one day each week. Pueblo Radiology and the PHD entered into the Lease Agreement (Attachment D) for the space at 315 Camino Del Remedio, Santa Barbara, CA 93110 and Purchase Order Agreement (Attachment B) that enabled Pueblo Radiology to purchase and operate the necessary radiology equipment to serve the County patients referred by the Orthopedic Specialty Clinic. Pueblo Radiology has been providing radiology services for County patients through a Purchase Order Agreement as well as a Lease Agreement since 2012. This request for a new License Agreement and Board Contract would replace the Service and Purchase Order Agreements. PHD entered into Purchase Order Agreement (CN18158) with Pueblo Radiology for the period of July 1, 2015 through June 30, 2017 (Attachment B). Due to additional scheduling needs earlier in the term of the agreement, the maximum of the original Purchase Order Agreement was reached faster than initially anticipated, requiring a new Board Contract (Attachment A).

PHD is also seeking Board approval for County and Pueblo Radiology to enter a License Agreement that would replace the expiring Lease Agreement and continue to permit Pueblo Radiology’s use of a portion of the County-owned property known as Building 3 located at 315 Camino del Remedio, CA 93110. The specific area covered by the License Agreement is identified in EXHIBIT B as Room 123 and X-Ray Room 1; consisting of approximately 700 square feet.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY Cost</u>	<u>Annualized On-going Cost:</u>	<u>Total One-Time Project Cost</u>
General Fund			
State			
Federal			
Fees			
Other: Medi-Cal revenues	\$ 60,200.00	\$ 60,200.00	
Total	\$ 60,200.00	\$ 60,200.00	\$ -

This Agreement will allow for the continuing provision of radiology services at our Santa Barbara Health Care Center site at an approximate annual cost of \$60,200. The total contract amount of \$300,000 includes \$100,000 already expended under a purchase order agreement and the additional \$200,000 represents a not-to-exceed amount for the period of July 2017 through June of 2019.

Key Contract Risks:

This contract has risks that are consistent with those associated with delivering a health-related service such as access to personal health information and specialized radiology equipment. Since inception in

1957, Pueblo Radiology has provided high-quality service and state-of-the-art imaging to patients, and has remained committed to providing imaging services equal to the best current-day medicine has to offer. Pueblo Radiology provides the full array of advanced diagnostic imaging. They provide excellent service, licensed technologists, sub-specialty trained physicians, and their imaging services are accredited by the American College of Radiology. By establishing Pueblo Radiology's services in the same location (315 Camino del Remedio) access to diagnostic services will remain available to PHD, other Departments such as the Sheriff's Department, Probation Department, as well as Veterans' Administration patients that have operations within the adjacent County properties. PHD meets regularly with Pueblo Radiology to review service delivery and patient experiences. PHD and Pueblo Radiology have made adjustments to the services, hours of operations and communications with staff of both parties and patients under the existing agreements. PHD staff and patients report satisfactory or higher ratings of Pueblo Radiology services under the current agreements.

Staffing Impacts:

There are no impacts as a result of this action.

Special Instructions:

Please execute two (2) original Professional Service Agreements and two (2) License Agreements with Pueblo Radiology and retain one (1) original of each Agreement and one (1) Minute Order for pick-up by the department. Please email phdcu@sbcphd.org when available for pickup.
