Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I have been a resident of Los Alamos since 1999. I was a founder/creator of the Los Alamos Dog Races/ "Bark for Books!" which began as an effort to bring people to our (at the time) rather solitary community and ended as a fundraiser for our local library which re-opened after a 26 +/- year hiatus. After eight years, the Dog Races retired in 2018 when a new community event took it's place. Additionally, when the Los Alamos Library re-opened, I joined other volunteers as a tutor to local Olga Reed School children through a program started by a local retired teacher who was instrumental in the library's "re-birth". I am dedicated to our community and after doing some background checking of the Los Alamos Cemetery believe that I might be a useful addition to the current board.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

Although I have a fine arts education, my passion has always been horses and I have successfully competed internationally to the highest level in the Olympic sport of Eventing. I am a certified instructor, trainer, coach, nationally licensed judge & technical delegate, certified equine appraiser, equestrian facility manager, equestrian competitions organizer. I have also served on the Board of Directors for the Southern Nevada Hunter/Jumper Association (SNHJA), the Arizona Dressage Association (ADA), the United States Eventing Association (USEA, currently on a Task Force for this). Additionally, I co-founded and was the first President of Las Vegas Equestrian Events, Inc. (LVEE) and co-founded the Equestrian Medical Safety Association (EMSA) and was the first Vice-President. I also created and organize The Event Derby® competition series and created and produced the Elite Event Horse Auction (EEHA!). Over the past few years, I have organized, as a volunteer, three Instructor's Symposiums at Galway Downs in Temecula, CA which featured current Olympic level coaches and attracted attendees from the western half of the U.S. In 2018, I organized, as a volunteer, a Continuing Education symposium for USEA certified Future Event Horse judges at Twin Rivers Ranch in Paso Robles, CA.
