Other Concurrence:

As to form: N/A

Recommended Actions:

That the Board of Supervisors:

Accept Notice of Completion for work performed by the Contractor, Papich Construction, Inc. (not a local vendor), Post Office Box 2210, Pismo Beach, California 93448, and authorize Clerk to Record.

Summary Text:

On May 6, 2008, your Board entered into a contract with Papich Construction, Inc. for the Construction of Jalama Road Storm Damage Repairs. The project site was located in the Third Supervisorial District, 7.7 miles west of State Route 1, just south of the City of Lompoc.

During the 1995 winter storm event, heavy rains and high run-off caused erosion of the creek bank adjacent to the roadway. To minimize the potential of any future damage, the roadway was realigned away from the creek bank. To facilitate the realignment, 32,500 cubic yards of the adjacent uphill slope was removed. Along with the realignment, the project increased the width of the roadway by approximately 10 feet due to the increased length of the severely eroded creek embankment on the southern side of the road. The existing metal beam guardrail was also extended along the southern roadway shoulder and a drainage swale was constructed on the north shoulder.

The Director of Public Works accepted this project as complete on December 12, 2008. The project was completed on time and on budget.

Background:

The County's Board of Supervisors approved the Project and Categorical Exemption, pursuant to the California Environmental Quality Act (CEQA), and authorized the Public Works Department to proceed with right of way negotiations and advertisement of construction bids on December 6, 2005 (Clerk of the Board File No. 05-01120).

Before: Jalama Road Embankment and Roadway Conditions

Jalama Road Three Days Prior to Project Completion

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY Cost:</u>	<u>Annualized On-going Cost:</u>	<u>Total One-Time Project Cost</u>
General Fund			\$ -
State: Prop 42			\$ 78,692.52
Federal: FHWA-ER			\$ 782,504.28
Fees			\$ -
Other: Measure D			\$ 22,988.82
Total	\$ -		\$ 884,185.62

Narrative:

At this time, final payment has not been made to the contractor; however construction costs, including the contingency fund, are anticipated to be \$884,185.62. Of this total, \$782,504.28 (88.5%) have been provided by the Federal Highway Administration (FHWA) Emergency Relief funds, \$22,988.82 (2.6%) are being provided by Measure D, and \$78,692.52 (8.9%) have been provided by Proposition 42. The funds have been budgeted in Dept 054, Fund 0017, Account 7510, Program 2920 and Org 0600.

Staffing Impacts: N/A
