Name: Rosemary Holmes

Organization (if none, designate "Self"): Self

Name of Proposal being submitted: Rosemary Draft Plan

Briefly describe your plan:

Although this plan is very similar to the current boundaries, a primary difference exists with the split of Lompoc between 3rd & 4th districts. We have had little representation for years; hopefully with two supervisors one will pay attention to our needs.

Briefly describe the goals of your plan: (example: keep rural areas together, keep a city in a specific district, etc.)

- little disruption of current boundaries
- will not discriminate on the basis of race
- as little as possible gerrymandering
- better representation for the 4th district

What is the population of each district in your plan?

1st: 84,779	2nd: 84,722	3rd: 84,845
4th: 84,944	5th: 84,605	

I hereby acknowledge that by submitting this plan and any related information for consideration, the plan and any related information will be considered a public record subject to disclosure to any member of the public.
