Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am interested in serving on the Santa Barbara Arts Commission because I believe the arts are essential to individual well-being and the overall health of a community. Art should be accessible to everyone, and I am passionate about helping ensure that all members of our community can experience its benefits. Serving on the Commission would give me the opportunity to collaborate with others who share this vision, contribute my perspective, and actively support initiatives that foster creativity, inclusivity, and positive change in Santa Barbara.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I currently serve as Associate Director of Development at The Granada Theatre. In this role, I support the Theatre’s historic and artistic mission while leading efforts that expand community access to the performing arts. I am especially passionate about our community programs, which ensure that as many people as possible are able to experience live performance at The Granada. Additionally, over the course of my career I have gained experience working with committees to establish goals, steward resources, and reach outcomes within budget. I bring strong skills in collaboration, planning, and program development, all of which I believe will serve the Arts Commission’s mission. The arts have also been a deeply personal part of my life. Growing up in Los Angeles, I studied dance, and as an internal processor, I found that music and movement provided an essential outlet to navigate emotions, embrace creativity, and connect with cultures and perspectives different from my own. This lifelong relationship with the arts continues to fuel my commitment to helping others access meaningful artistic experiences that foster understanding, empathy, and connection within our community.
