#### ORDINANCE NO. 5221

AN INTERIM URGENCY ORDINANCE OF SANTA BARBARA COUNTY, PROHIBITING THE CONVERSION OF SENIOR MOBILE HOME PARKS TO ALL-AGES PARKS PURSUANT TO GOVERNMENT CODE SECTION 65858, WITHIN THE UNINCORPORATED AREAS OF SANTA BARBARA COUNTY.

WHEREAS, California requires that every jurisdiction adopt a Housing Element and make plans for providing affordable housing within the County; and

WHEREAS, Santa Barbara County adopted its Housing Element on December 5, 2023.

WHEREAS, seniors are a vulnerable population, and the County is required by state law to address housing for seniors; and

WHEREAS, mobile home parks represent one of a few unsubsidized affordable housing options left to senior citizens that permit exclusive residence in a detached dwelling by those individuals over the age of 55 years.

WHEREAS, there are 21 existing mobile home parks in the unincorporated area of the County, of these 21 mobile home parks there are 11 that are designated for seniors, typically 55 and over; and

WHEREAS, the conversion of age-restricted mobile parks to all-age presents a current and immediate threat to the public health, safety and welfare by reducing the available affordable housing options in the County for citizens aged 55 years and older.

WHEREAS, the County finds it necessary to protect existing affordable housing options for senior citizens, which there are a total of 2,401 spaces available out of the existing 21 mobile home parks and out of the 11 mobile home parks identified as senior mobile home parks there are 1,862 spaces available for seniors citizens throughout the unincorporated County.

WHEREAS, conversion from a "senior" to an "all-age" mobile home park will unduly burden and irreparably harm senior citizens within the unincorporated areas of the County and will result in the loss of existing unsubsidized housing that is affordable; and

WHEREAS, when "seniors" mobile home parks are converted to "all-age" parks, the cost of housing have the potential to increase substantially due to the competition of tenants for available spaces which may drive up rents and thereby diminishes the affordable housing stock for seniors.

WHEREAS, mobile home parks serve lower to upper moderate-income levels and there is a significant need for lower income housing for seniors as there is a waiting list for low-income seniors of 2,124 with the Housing Authority of the County of Santa Barbara and 3,758 with the City of Santa Barbara's Housing Authority.

WHEREAS, currently, the County does not impose any regulations on the conversion of mobile home parks from "senior" to all an "all-age" mobile home park.

WHEREAS, the County is studying a zoning proposal to protect existing senior mobile home parks and needs time to investigate, research, and develop new zoning regulations to implement a Senior Mobile Home Park Overlay Zone to promote and preserve mobile home parks and to evaluate the rezoning of existing mobile home parks that are not currently zoned Mobile Home Park.

WHEREAS, this interim urgency ordinance is necessary to prohibit changes in uses that may be in conflict with this contemplated zoning proposal and prohibit the introduction of potentially legal nonconforming land uses that could defeat a later-adopted zoning ordinance.

NOW, THEREFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA, ORDAINS AS FOLLOWS:

**SECTION 1:** Interim Urgency Ordinance Necessity and Limitations.

This interim urgency ordinance is necessary for the immediate preservation of the public peace, health, safety, and general welfare.
