

PROTEST AGAINST ALCOHOLIC BEVERAGE LICENSE APPLICATION

- Please refer to Form ABC-510, Instructions for Protesting an Alcoholic Beverage License Application, before completing and submitting your protest. The ABC-510 can be found at www.abc.ca.gov.
- Please print legibly or type. Incomplete and/or illegible information will cause the protest to be rejected.
- You will be notified by letter regarding a hearing on your protest. You will need to attend the hearing to testify and/or present evidence to support your protest.
- A copy of your valid protest, including your name and address, will be provided to the applicant as a public record and a right of discovery for a protest hearing.

I hereby protest the issuance of a license under the Alcoholic Beverage Control Act to:

Santa Ynez Band of Mission Indians

(Name(s) of Applicant(s))

For premises at:

3400 E HIGHWAY 246, Santa Ynez, CA

(Exact address of proposed premises)

on the grounds that:

1. The premises is located within the immediate vicinity of a school, church, hospital, or children's playground and the normal operation of the licenses premises would interfere with their functions. Three elementary schools, a high school and the Santa Ynez Valley YMCA are all located within approximately 0.5 miles of the subject property. Expanding sales of alcohol to additional areas of the property where age verification is more difficult to control may lead to increased accessibility of alcohol to minors and underage drinking.
2. Issuance of the license would result in or add to undue concentration of licenses. Increasing the area of sales to include those areas set aside for special events will likely result in an overall increase of alcohol sales in an area which already has a high concentration of licenses.
3. Issuance of the license to the premises would tend to create a law enforcement problem, or aggravate an existing police problem. The property is showing a trend of increased need for law enforcement response. In 2008, 149 citations were issued at the subject property. In 2009, this number increased to 154, and in the first five months of 2010, 124 citations have already been issued. These figures represent only the citations issued, not calls made. These figures do not include other calls for services such as fire or emergency medical services. (Note: Summary crime statistics received from the Santa Barbara County Sheriff's Department are attached. Names of individuals have been redacted from the attached reports and are indicated by the solid black pen line.)

I, Janet Wolf, Chair Board of Supervisors, declare under penalty of perjury:
