Furthermore, COUNTY shall have no right to control, supervise, or direct the manner or method by which CONTRACTOR shall perform its work and function. However, COUNTY shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions hereof. CONTRACTOR understands and acknowledges that it shall not be entitled to any of the benefits of a COUNTY employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure. CONTRACTOR shall be solely liable and responsible for providing to, or on behalf of, its employees all legally-required employee benefits. 7. STANDARD OF PERFORMANCE

CONTRACTOR represents that it has the skills, expertise, and licenses/permits necessary to perform the services required under this Agreement. Accordingly, CONTRACTOR shall perform all such services in the manner and according to the standards observed by a competent practitioner of the same profession

in which CONTRACTOR is engaged. All products of whatsoever nature, which CONTRACTOR delivers to COUNTY pursuant to this Agreement, shall be prepared in a first class and workmanlike manner and shall conform to the standards of quality normally observed by a person practicing in CONTRACTOR's profession. CONTRACTOR shall, subject to the applicable terms of Exhibit A including subsections "Support Services" IV (d) and IV (c)(i), correct or revise any errors or omissions, at COUNTY'S request. Permits and/or licenses shall be obtained and maintained by CONTRACTOR without additional compensation.

8. DEBARMENT AND SUSPENSION

CONTRACTOR certifies to COUNTY that it and its employees and principals are not debarred, suspended, or otherwise excluded from or ineligible for, participation in federal, state, or county government contracts. CONTRACTOR certifies that it shall not contract with a subcontractor that is so debarred or suspended.

9. TAXES

CONTRACTOR shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this Agreement and shall make any and all payroll deductions required by law. COUNTY shall not be responsible for paying any taxes on CONTRACTOR's behalf, and should COUNTY be required to do so by state, federal, or local taxing agencies, CONTRACTOR agrees to promptly reimburse COUNTY for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance.

10. CONFLICT OF INTEREST

CONTRACTOR covenants that CONTRACTOR presently has no employment or interest and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by CONTRACTOR. CONTRACTOR must promptly disclose to COUNTY, in writing, any potential conflict of interest. COUNTY retains the right to waive a conflict of interest disclosed by CONTRACTOR if COUNTY determines it to be immaterial, and such waiver is only effective if provided by COUNTY to CONTRACTOR in writing.

11. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY

The COUNTY acknowledges and agrees that the Software, Software Documentation, and any Customization of the Software, and all worldwide copyrights, trademarks, service marks, trade secrets, patents, patent applications, know-how, moral rights, contract rights, and other proprietary rights therein, are the exclusive property of the CONTRACTOR and its suppliers and that this Agreement grants the COUNTY no title or right of ownership in the Software, Documentation and any Customization of the Software. All rights in and to the Software, Documentation and any Customization of the Software not expressly granted to the COUNTY in this Agreement are reserved by CONTRACTOR and its suppliers. The COUNTY agrees not to remove or destroy any proprietary markings or proprietary legends placed upon or contained within the Software, Documentation, any Customization of the Software, or any related materials.

The COUNTY retains all right, title and interest in and to the COUNTY Data, and CONTRACTOR acknowledges and agrees that it neither owns nor acquires any additional rights in and to the COUNTY Data not expressly granted by this Agreement. "COUNTY Data" means the data and content provided by the COUNTY in the course of the COUNTY's use of the Software in accordance with this Agreement.

CONTRACTOR shall at its own expense defend, indemnify, and hold harmless COUNTY against any action brought by a third party to the extent that the action is based upon a claim that the Software infringes any U.S. patents or any copyrights or misappropriates any trade secrets of a third party, and CONTRACTOR will pay those costs, fees (including attorney's fees), and damages finally awarded against the COUNTY or incurred by the COUNTY after such award in any such action that are specifically attributable to such claim or those costs and damages agreed to in a monetary settlement of such action. The foregoing obligations are conditioned on the COUNTY (a) notifying CONTRACTOR promptly in writing of such action, b) reasonably cooperating in CONTRACTOR's control of the defense thereof and any related settlement negotiations, and (c) cooperating and, at CONTRACTOR's request and expense, assisting in such defense. Contractor shall control the defense of any such claim and shall choose the counsel who shall defend the claim.

12. CONFIDENTIALITY

Confidential Information. Each party (the "Disclosing Party") may from time to time disclose to the other party (the "Receiving Party") certain information regarding the business of the Disclosing Party and its suppliers, including technical, marketing, financial, employee, planning, and other confidential or proprietary information ("Confidential Information"). Any non-public information made known to the Receiving Party through transfer or physical observation by the Disclosing Party will be considered Confidential Information of the Disclosing Party. For the avoidance of doubt, in addition to other CONTRACTOR Confidential Information, the Software, including without limitation any routines, subroutines, directories, tools, programs, or any other technology included therein, shall be considered CONTRACTOR's Confidential Information. Information related to supervised clients, clients associated criminal history, and personal identifying information, shall be considered COUNTY's Confidential Information.

Protection of Confidential Information. The Receiving Party will not use any Confidential Information of the Disclosing Party for any purpose not expressly permitted by this Agreement, and will disclose the Confidential Information of the Disclosing Party only to the employees or contractors of the Receiving Party who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than the Receiving Party's duty hereunder. The Receiving Party will protect the Disclosing Party's Confidential Information from unauthorized use, access, or disclosure in the same manner as the Receiving Party protects its own confidential or proprietary information of a similar nature and with no less than reasonable care.

Exceptions. The Receiving Party's obligations under this Section 12 with respect to any Confidential Information of the Disclosing Party will be inapplicable if such information: (a) was already known to the Receiving Party at the time of disclosure by the Disclosing Party; (b) was disclosed to the Receiving Party by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of the Receiving Party has become, generally available to the public; or (d) was independently developed by the Receiving Party without access to, or use of, the Disclosing Party's

Confidential Information. In addition, the Receiving Party will be allowed to disclose Confidential Information of the Disclosing Party to the extent that such disclosure is (i) approved in writing by the Disclosing Party, (ii) necessary for the Receiving Party to enforce its rights under this Agreement in connection with a legal proceeding; or (iii) required by law or by the order of a court of similar judicial or administrative body, provided that the Receiving Party notifies the Disclosing Party in the case of subsection (ii) or (iii) of such required disclosure promptly and in writing and cooperates with the Disclosing Party, at the Disclosing Party's request and expense, in any lawful action to contest or limit the scope of such required disclosure.

Return of Confidential Information. The Receiving Party will return to the Disclosing Party or destroy all Confidential Information of the Disclosing Party in the Receiving Party's possession or control and permanently erase all electronic copies of such Confidential Information promptly upon the written request of the Disclosing Party upon the expiration or termination of this Agreement. Upon request from the Disclosing Party, the Receiving Party will certify in writing signed by an officer of the Receiving Party that it has fully complied with its obligations under this Section 12.

13. NO PUBLICITY OR ENDORSEMENT

CONTRACTOR shall not use COUNTY's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. CONTRACTOR shall not use COUNTY's name or logo in any manner that would give the appearance that the COUNTY is endorsing CONTRACTOR. CONTRACTOR shall not in any way contract on behalf of or in the name of COUNTY. CONTRACTOR shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the COUNTY or its projects, without obtaining the prior written approval of COUNTY.

14. COUNTY PROPERTY AND INFORMATION

All of COUNTY's property, documents, and information provided for CONTRACTOR's use in connection with the services shall remain COUNTY's property, and CONTRACTOR shall return any such items whenever requested by COUNTY after any termination and whenever required according to the Termination section of this Agreement. CONTRACTOR may use such items only in connection with providing the services. CONTRACTOR shall not disseminate any COUNTY property, documents, or information without COUNTY's prior written consent.

15. RECORDS, AUDIT, AND REVIEW

CONTRACTOR shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of CONTRACTOR's profession and shall maintain such records for at least four (4) years following the termination of this Agreement. All accounting records shall be kept in accordance with generally accepted accounting principles. Upon ten (10) days prior written request, COUNTY shall have the right to audit and review all such documents and records during CONTRACTOR's regular business hours. In addition, if this Agreement exceeds ten thousand dollars (\$10,000.00), CONTRACTOR shall be subject to the examination and audit of the California State Auditor, at the request of the COUNTY or as part of any audit of the COUNTY, for a period of three (3) years after final payment under the Agreement (Cal. Govt. Code Section 8546.7). CONTRACTOR shall participate in any audits and reviews, whether by COUNTY or the State, at no charge to COUNTY.

If federal, state or COUNTY audit exceptions are made relating to this Agreement amounting to in excess of five percent (5%) of the contract value, CONTRACTOR shall reimburse all costs incurred by federal, state, and/or COUNTY governments associated with defending against the audit exceptions or performing any audits or follow-up audits, including but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments and all other costs of whatever nature. Immediately upon notification from COUNTY, CONTRACTOR shall reimburse the amount of the audit exceptions and any other related costs directly to COUNTY as specified by COUNTY in the notification.

Upon ten (10) days written prior notice, CONTRACTOR will have the right to have an independent audit firm inspect the COUNTY's records relating to the COUNTY's use of the Software, and access and query the COUNTY's equipment on which the Software is operating, in order to verify the COUNTY's compliance with the terms and conditions of this Agreement. The audit will be performed during the COUNTY's normal business hours. The costs of the audit will be paid by CONTRACTOR, unless the audit reveals that the COUNTY has (i) failed to strictly comply with the restrictions set forth in Exhibit A or (ii) underpaid the amounts owed to CONTRACTOR by five percent (5%) or more, in which case the COUNTY will reimburse CONTRACTOR for all reasonable costs and expenses incurred by CONTRACTOR in connection with such audit. The COUNTY will promptly pay to CONTRACTOR any amounts shown by any such audit to be owing plus interest. Such audits will be conducted no more than once in any period of six (6) consecutive months.

16. INDEMNIFICATION AND INSURANCE

CONTRACTOR agrees to the indemnification and insurance provisions as set forth in EXHIBIT C attached hereto and incorporated herein by reference.

17. LIMITATION OF LIABILITY

In no event will CONTRACTOR be liable for any consequential, indirect, exemplary, special, or incidental damages, or for any lost data, lost profits or costs of procurement of substitute goods or services, arising from or relating to this agreement, however caused and under any theory of liability (including negligence), even if CONTRACTOR has been advised of the possibility of such damages. CONTRACTOR'S total cumulative liability in connection with this agreement and the Northpointe system, whether in contract or tort or otherwise, will not exceed the amount of fees paid to CONTRACTOR during the twelve (12) month period preceding the events giving rise to such liability. The foregoing limitation upon the types of damages and amounts of liability shall not apply to CONTRACTOR'S indemnity or any indemnity obligations stated in this contract.

18. NONDISCRIMINATION

COUNTY hereby notifies CONTRACTOR that COUNTY's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and CONTRACTOR agrees to comply with said ordinance.

19. NONEXCLUSIVE AGREEMENT

CONTRACTOR understands that this is not an exclusive Agreement and that COUNTY shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by CONTRACTOR as the COUNTY desires.

20. NON-ASSIGNMENT

CONTRACTOR shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of COUNTY which shall not be unreasonably withheld or delayed; except that CONTRACTOR may assign this Agreement, without consent to any successor to all or substantially all its business or assets to which this Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise and will notify COUNTY of such occurrence as soon as reasonably possible. Any attempted assignment, subcontract or transfer in violation of the foregoing will be void and without legal effect and shall constitute grounds for termination.

All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

21. TERMINATION

- A. **By COUNTY.** COUNTY may, by written notice to CONTRACTOR, terminate this Agreement in whole or in part at any time, whether for COUNTY's convenience, for nonappropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein, in accordance with the below:
1. **For Convenience.** COUNTY may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, CONTRACTOR shall, as directed by COUNTY, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on COUNTY from such winding down and cessation of services.
 2. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or COUNTY governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then COUNTY will notify CONTRACTOR of such occurrence as soon as reasonably possible and COUNTY may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, COUNTY shall have no obligation to make payments with regard to the remainder of the term..
 3. **For Cause.** Should CONTRACTOR default in the performance of this Agreement or materially breach any of its provisions that cannot be cured, or which being capable of cure has not been cured within sixty (60) calendar days, COUNTY may, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, CONTRACTOR shall immediately discontinue all services affected (unless the notice directs otherwise) and

notify COUNTY as to the status of its performance. The date of termination shall be the date the notice is received by CONTRACTOR, unless the notice directs otherwise.

- B. By CONTRACTOR. Should COUNTY fail to pay CONTRACTOR all or any part of the payment set forth in EXHIBIT B, CONTRACTOR may, at CONTRACTOR's option terminate this Agreement if such failure is not remedied by COUNTY within thirty (30) days of written notice to COUNTY of such late payment.

- C. Upon termination, CONTRACTOR shall deliver to COUNTY all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by CONTRACTOR in performing this Agreement, whether completed or in process, except such items as COUNTY may, by written permission, permit CONTRACTOR to retain. Notwithstanding any other payment provision of this Agreement, COUNTY shall pay CONTRACTOR for services performed to the date of termination. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. With respect to services rendered after termination, upon COUNTY'S written request, CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of COUNTY is necessary to determine the reasonable value of such services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of such services rendered by CONTRACTOR, the decision of COUNTY shall be final. The foregoing is cumulative and shall not affect any right or remedy which COUNTY may have in law or equity.

22. DISPUTE RESOLUTION.

The parties will seek a fair and prompt negotiated resolution within ten (10) days of the initial notice of the dispute ("Dispute"). If the Dispute has not been resolved after such time, the parties will escalate the issue to senior management levels. If the parties are unable to resolve any dispute at the senior management level, then any controversy, claim, or Dispute arising out of or relating to this Agreement shall be resolved through good faith, amicable discussions, mediation and negotiations. In any action at law or in equity to enforce or interpret the terms of this Agreement, the prevailing party will be entitled to recover relief if ordered by a court of competent jurisdiction.

Nothing herein shall prevent either party from seeking a preliminary or permanent injunction to preserve the status quo or prevent irreparable harm during the negotiation process.

23. CAUSES EXCUSING PERFORMANCE

Neither party shall be liable for any failure of or delay in performance of its obligations (except for payment obligations) under this Agreement to the extent such failure or delay is due to acts of God, acts of a public enemy, fires, floods, power outages, wars, civil disturbances, epidemics, pandemics, sabotage, terrorism, accidents, insurrections, blockades, embargoes, storms, explosions, labor disputes (whether or not the employees' demands are reasonable and/or within the party's power to satisfy), failure of common carriers, Internet Service Providers, or other communication devices, acts of cyber criminals, terrorists or other criminals, acts of any governmental body (whether civil or military, foreign or domestic), failure or delay of third parties or governmental bodies from whom a party is obtaining or must obtain approvals, authorizations, licenses, franchises or permits, inability to obtain labor, materials, power, equipment, or transportation, or other circumstances beyond its reasonable control (collectively referred to herein as "Force Majeure Occurrences"). Any such delays shall not be a breach of or failure to perform this

Agreement or any part thereof and the date on which the obligations hereunder are due to be fulfilled shall be extended for a period equal to the time lost as a result of such delays. Neither party shall be liable to the other for any liability claims, damages, or other loss caused by or resulting from a Force Majeure Occurrence.

24. SECTION HEADINGS

The headings of the several sections, and any Table of Contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

25. SEVERABILITY

If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

26. REMEDIES

No remedy herein conferred upon or reserved to the Parties is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

The COUNTY acknowledges that the Software contains valuable trade secrets and proprietary information of CONTRACTOR, that any actual or threatened breach of Exhibit A, section IV(a). will constitute immediate, irreparable harm to CONTRACTOR for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach. If any legal action is brought by CONTRACTOR to enforce this Agreement, the prevailing party will be entitled to receive, court costs, and other collection expenses, in addition to any other relief it may receive.

27. NO WAIVER OF DEFAULT

No delay or omission of COUNTY or CONTRACTOR to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to COUNTY or CONTRACTOR shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of COUNTY or CONTRACTOR.

28. ENTIRE AGREEMENT AND AMENDMENT

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each

party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel.

29. COMPLIANCE WITH LAW

CONTRACTOR shall, at its sole cost and expense, comply with all applicable County, State and Federal ordinances and statutes now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of CONTRACTOR in any action or proceeding against CONTRACTOR, whether COUNTY is a party thereto or not, that CONTRACTOR has violated any such applicable ordinance or statute, shall be conclusive of that fact as between CONTRACTOR and COUNTY.

30. CALIFORNIA LAW AND JURISDICTION

This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

31. EXECUTION OF COUNTERPARTS

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.

32. AUTHORITY

All signatories and parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and that all formal requirements necessary or required by any state and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement on the effective date, CONTRACTOR hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which CONTRACTOR is obligated, which breach would have a material effect hereon.

33. SURVIVAL

All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

34. PRECEDENCE

In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the Exhibits shall prevail over those in the numbered sections.

- c. **WARRANTY**
- i. Limited Warranty. CONTRACTOR warrants for a period of ninety (90) days following the date of delivery of the Software to COUNTY that the Software will substantially operate according to the specifications set forth in the User Guide Documentation. If it is determined by COUNTY that the Software does not substantially operate according to such specifications, subject to the terms of this subsection c(i), CONTRACTOR shall at its option and expense, apply commercially reasonable efforts to designing, coding and implementing programming changes to the source code to correct reproducible errors or correcting misstatements and omissions in the User Guide documentation. COUNTY shall report all errors or other defects in the Software to CONTRACTOR immediately upon their discovery. It is acknowledged that the Software is inherently complex and may contain errors and CONTRACTOR cannot and does not guarantee to correct all such errors. The remedies set forth in this Section c. constitute COUNTY's sole and exclusive remedy for breach of this Warranty. The Software contains third party assessments for use by the COUNTY. CONTRACTOR has no proprietary claim on these assessments and therefore disclaims any and all liability, including any express or implied warranties, whether oral or written, for such third party assessments. The COUNTY acknowledges that no representations have been made.
 - ii. No other Warranties. CONTRACTOR makes no other warranties, whether express, implied, or statutory regarding or relating to the software or the documentation, or any materials or services furnished or provided to COUNTY under this agreement, including support. CONTRACTOR specifically disclaims all implied warranties of merchantability and fitness for a particular purpose with respect to the software, documentation and said other materials and services, and with respect to the use of any of the foregoing.
- d. **SUPPORT SERVICES**
- i. CONTRACTOR, or its agents, shall provide support services as described in this Exhibit A section IV(d) for the Software. The COUNTY will have access to CONTRACTOR's support services during normal business hours (8:00 A.M. - 5:00 P.M., E.S.T.), Monday through Friday, excluding published holidays ("Support Hours"). The initial term for the provision of Support Services will be concurrent

with the term of the CONTRACTOR license as set forth in the Agreement, unless the Agreement is terminated in accordance with its terms.

- ii. CONTRACTOR will provide the following Support Services to the COUNTY:
 - 1. Correction of confirmed defects in the Software, based upon deviations from documented software functionality in accordance with Exhibit A section IV subsection (c) (i);
 - 2. Documentation updates via published Release Notes;
 - 3. Assistance in resolving issues with Software.
- iii. Response Times and Availability. The Customer Care Department is the primary means of communication between the COUNTY and CONTRACTOR regarding all CONTRACTOR software issues. Customer Care provides the most efficient means to track, manage, and resolve all CONTRACTOR software issues. The following table provides information on CONTRACTOR’s categorization of issues.

Priority	Criteria
<p><u>Urgent</u> Extremely Severe Business Impact</p>	<p>Issue results in broad disruption or degradation of production environment services (not caused by the COUNTY’s hardware or environment) causing a severe business impact to the COUNTY, and for which no acceptable workaround exists, including where:</p> <ul style="list-style-type: none"> · A core business function is prevented from being carried out; or · An issue results in a disruption or degradation for multiple core business functions that affect one or more of the COUNTY’s business groups.
<p><u>High</u> <u>Serious Business Impact</u></p>	<p>An error or Software issue related to a core system or business function that causes a serious business impact to the COUNTY by impeding the normal intended use of the software but allowing processing to continue in a restricted manner, and for which there is no known system workaround.</p>
<p><u>Normal</u> <u>Moderate Business Impact</u></p>	<p>A software operational error related to a core system or business function that causes a moderate to low business impact to the COUNTY but does not cause a serious impediment to the normal intended use of the software, and for which a system workaround may exist; or questions about how to use the application.</p>
<p><u>Low</u> <u>Little or No Business Impact</u></p>	<p>System functionality is largely correct except for minor, display or cosmetic errors with non-core functions of the software that causes little or no business impact to the COUNTY. Includes requests for documentation changes or corrections.</p>

- 1. Response Time. CONTRACTOR will respond as quickly as possible to each request, but uses the response time targets for Average First Reply Time, during the defined hours of operation, provided in the table below. First Reply Time is defined as the time it takes an

CONTRACTOR Customer Care Agent to respond to COUNTY's request for assistance.

	Average First Reply Time Target	Average Resolution Time Target
Urgent	1 hour	As soon as possible, but no more than 24 hours
High	8 business hours	48 hours (not including development or release time)
Normal	2 business days	5 business days (not including development or release time)
Low	2 business days	Mutually agreed time or Scheduled for future release

2. Resolution Time. Resolution time will vary depending on the severity and complexity of the reported problem. Resolution time is defined as the time it takes CONTRACTOR to sufficiently remedy the problem or return the system to operational status. Resolution may mean that a temporary fix has been provided to correct a problem until a permanent solution can be delivered. Average Resolution Time targets are provided in the table above. Elapsed time for development effort is not included in Resolution time.

iv. Exceptions.

1. Inquiries related to interpretation of results or configuration decisions based on COUNTY policies and/or procedures are NOT included in the Support Services.

2. On-premise hosted: COUNTY will request the software update to be performed. CONTRACTOR will build the software installation package necessary to update the COUNTY's active Test/Production environments. Each update will consist of a set of files made available electronically and will be accompanied by Documentation (Northpointe Suite Release Notes) adequate to inform the COUNTY of software modifications. The COUNTY will be responsible for performing all on-premise software updates.
- vi. The COUNTY is responsible for undertaking the proper supervision, control and management of its use of the Software, including, but not limited to: (a) assuring proper Supported Environment configuration, Software installation and operating methods; and (b) following industry standard procedures for the security of data, accuracy of data inputs and outputs, and back-up plans, including restart and recovery in the event of hardware or software error or malfunction.
