

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found at on the OneCPD Resource Exchange at <https://www.onecpd.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD the OneCPD Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award management (SAM) in order to apply for funding under the Continuum of Care (CoC) Program Competition. For more information see the FY 2013 CoC NOFA.
- To ensure that applications are considered for funding, all sections of the FY 2013 CoC Program NOFA and the FY 2013 General Section NOFA, including the General Section Technical Correction, should be read carefully, and all requirements and criteria met.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2012 Project Application will not be imported into the FY 2013 Project Application, therefore applicants will be required to enter information into all required fields.
- Before completing the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).

If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduction.
- Before completing the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- HUD reserves the right to reduce or reject any new or renewal project that fails to adhere to the CoC Program interim rule (24 CFR part 578) and application requirements set forth in the FY 2013 CoC Program NOFA.

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This field is required. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project participate in a CoC Coordinated Assessment System: This is a required field. Select "Yes" if the project is currently participating in a coordinated assessment system. If a coordinated assessment system does not exist in the CoC or if the project does not participate, select "No."

Does your project have a specific population focus: This is a required field. Select "Yes" if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If "Yes" is selected, select the relevant checkbox(es) to identify the project's population focus.

PH PROJECTS ONLY

Does the project follow a "Housing First" model: This is a required field for PH projects only. Select "Yes" if the project currently follows a housing first approach that allows the homeless to enter without barriers such as income, sobriety, etc. Select "No" if the project does not follow a housing first approach.

Do you plan on serving homeless households with children and youth defined as homeless under other federal statutes (Paragraph 3 of the definition of homeless found at 24 CFR 578.3)? Please note that no project is permitted to serve this population unless the CoC has requested and is approved to do so: This is a required field. Projects are only permitted to serve households with children and youth defined as homeless under other federal statutes (Paragraph 3 of the definition of homeless found at 24 CFR 578.3), if the CoC has requested and is approved to use funds for such a purpose. CoCs that wish to request that projects within the CoC be permitted to use funds to serve this population had to identify the specific project(s) that would use funding for this purpose (up to 10 percent of CoC total award) by submitting an attachment with the CoC Application. HUD will only consider TH and SSO projects for approval under the above conditions.

TH PROJECTS ONLY:

Indicate the maximum length of assistance: This is a required field. The maximum length of assistance allowed for TH projects is 24 months.

PH AND TH PROJECTS ONLY:

If applicable, indicate the type of rental assistance: This is a required field. If requesting rental assistance, select the type, PRA, SRA, or TRA, from the dropdown menu. Describe the method for determining the type, amount, and duration of rental assistance that participants can receive. If the project is requesting rental assistance, describe the method or process the applicant will use to determine the type, amount, and duration of rental assistance that participants can receive

For SHP projects renewing under the CoC Program for the first time, is the project budget being revised to rental assistance from leasing? (This change must have been listed on the final HUD-approved GIW. See 24 CFR 578.49(b)(8)); This is a required field. "Yes" should only be selected if the change from leasing to rental assistance was approved by HUD during the GIW process.

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail form should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail form. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail form.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

How many of the total beds entered in "b. Beds" are dedicated to the chronically homeless: This is a required field. Based on the number of beds listed in the above question, how many, if any, of the beds are dedicated for the chronically homeless. "Dedicated" chronically homeless beds can ONLY be used by chronically homeless persons. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. In this field, indicate the number of beds that are not dedicated to the chronically homeless but where the chronically homeless will have priority for admission when a bed becomes available through turnover.

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Homeless persons as defined under other federal statutes (TH and SSO only and HUD approval REQUIRED)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the "Save" button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements.

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless: This field is required if the total percentage calculated above is less than 100 percent or if a number greater than 0 was entered in the "Persons at imminent risk of losing their nighttime residence" field. If both apply, the project applicant must provide a response to both questions in this field.

If the total percentage calculated above is less than 100 percent, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2013 CoC Program NOFA.

If the field for "Persons at imminent risk of losing their nighttime residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing" contains a percentage greater than 0, the project applicant must indicate how these persons meet the eligibility criteria for the project component being requested (may only be TH or SSO).

Additional Resources can be found at the OneCPD Resource Exchange:

<https://www.onecpd.info/e-snaps/guides/coc-program-competition-resources/>

6A. Standard Performance Measures

Instructions:

ALL PROJECTS EXCEPT SSO and HMIS

Housing Measures: This is a required field. Persons remaining in permanent housing as of the end of the operating year or exiting to permanent housing (subsidized or unsubsidized) during the operating year: Count each participant who is still living in your units supported by your facility, or clients who have exited your units and moved into another permanent housing situation

Income Measure: This is a required field where at least one option must be chosen by the project applicant.

- a. Persons age 18 and older who maintained or increased their total income (from all sources) as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Total income can include all sources, public and private.
- b. Persons age 18 through 61 who maintained or increased their earned income as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Earned income should only include income from wages and private investments, and not public benefits.

For each measure, enter a number in the blank cells according to the following instructions:

Universe (#): Enter the total number of persons about whom the measure is expected to be reported. The Universe is the total pool of persons that could be affected.

Target (#): Enter the number of applicable clients from the universe who are expected to achieve the measure within the operating year. The Target is the total number of persons from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%."

Additional Resources can be found at the OneCPD Resource Exchange:

7A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this form will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the reallocation responses in the CoC Application.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult OMB circulars A-122 and A-87 and contact your local HUD office.

Select a grant term: This field is pre-populated with a one-year grant term.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected at the beginning of this project application. The following eligible costs may be listed: leased units, leased structures, short-term/medium-term rental assistance, long-term rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the final HUD-approved FY2013 GIW.

If you do not see the funding budgets that you expected, you may need to return to form "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. For example, a rental assistance project that does not see the "Long-term rental assistance" budget may have incorrectly identified as a rapid re-housing project on form "3B. Project Description." See the FY2013 CoC Program NOFA for additional guidance.

7G. Operating Budget

Instructions:

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. Enter the quantity in detail (e.g. .75 FTE hours and benefits for staff, utility types, monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and restricts understanding of what is being requested. Failure to enter adequate "Quantity AND Detail" may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. For each grant year, enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility. The request should match the budget amounts identified on the HUD-approved GIW

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the OneCPD Resource Exchange:

<https://www.onecpd.info/e-snaps/guides/coc-program-competition-resources/>

A quantity AND description must be entered for each requested cost. Any cost without a quantity and a description will be removed from the budget.

Instructions:

Match and Leverage are two distinct categories of funds from other sources that will be used in conjunction with this project, if awarded. Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Leverage funds can be used for any program related costs and there is no minimum requirement; however, the determination of the CoC's leveraging score will be calculated using data from this form. Please review the CoC Program interim rule and the FY2013 CoC Program NOFA for more detailed information concerning Match and Leverage.

Will this commitment be used towards Match or Leverage? Select Match or Leverage to categorize each commitment being entered.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible. A CoC may receive a higher leveraging score if any of its project applicants identify NSP funds as a source of leverage for one or more projects.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution

The values entered on each detailed Match/Leverage form will populate the summary form. The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible. A CoC may receive a higher leveraging score if any of its project applicants identify NSP funds as a source of leverage for one or more projects.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution

The values entered on each detailed Match/Leverage form will populate the summary form. The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

7J. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "8. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount funds of requested administration funds. The request should match the amount identified on the HUD-approved GIW. The grant will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an ineligible amount is entered, the system will report an error and prevent application submission when the form is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2013 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to form "7I. Sources of Match/Leverage" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to form "7I. Sources of Match/Leverage" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to form "7I. Sources of Match/Leverage" to make changes..

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Within 90 days after the end of your advance ruling period, you must submit to us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantors and donors

Letter 1045(CG)

GOOD SAMARITAN SHELTER

may continue to rely on the advance determination until the Service makes a final determination of your foundation status. However, if notice that you will no longer be treated as a section 509(a)(1) organization is published in the Internal Revenue Bulletin, grantors and donors may not rely on this determination after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act of failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990, Return of Organization Exempt from Income Tax, only if your gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.
