Recommended Actions:

Approve and authorize the Chair of the Board of Supervisors to execute an agreement with the California Department of Food and Agriculture to perform regulatory activities for the Light Brown Apple Moth Program in the County of Santa Barbara for the period of July 1, 2009 through June 30, 2010 in the amount of \$13,801.73.

Summary Text:

This agreement will provide reimbursement for the cost of activities to perform regulatory work for the Light Brown Apple Moth which are primarily focused on quarantine implementation in accordance with the Federal Domestic Quarantine Order and California State Interior Quarantine, California Code of Regulations 3434 and emergency response activities as a result of detections of light brown apple moth in regulated establishments.

Background:

In February of 2008, light brown apple moth was detected for the first time in Santa Barbara County. USDA and CFDA implemented quarantines in March of 2008, requiring additional regulatory activities to be performed by the Agricultural Commissioner's Office. The initial agreement for FY 07/08 was approved by the Board on 06/24/08 in the amount of \$9,968.56 and continued funding has been approved each year for these activities.
