

COUNTY OF SANTA BARBARA
RESOLUTION PROCLAIMING MAY 2024
AS WATER AWARENESS MONTH IN
SANTA BARBARA COUNTY)
CALIFORNIA

WHEREAS, water is California's most precious resource and our quality of life and economic well-being depend on the efficient and prudent management of water resources;

WHEREAS, on May 17, 2018, the California Legislature passed Senate Bill 606 and Assembly Bill 1668 that, together, implement Executive Order B-37-16 "Making Water Conservation a California Way of Life" by establishing long-term improvements in water conservation and drought planning;

WHEREAS, on June 3, 2023, the Santa Barbara County Board of Supervisors terminated the Proclamation of Local Emergency Caused by Drought Conditions that had been ratified since July 8, 2021, while acknowledging recurring droughts in Santa Barbara County are more likely with the impacts of climate change;

WHEREAS, in Water Year 2023, Santa Barbara County's rainfall has been the wettest within the past 18 years and Water Year 2024 has seen above-average rainfall to date, but annual rainfall in California and Santa Barbara County is projected to become increasingly more variable, with a higher risk of both extended droughts and extreme floods; and

WHEREAS, for the last 30 years the County of Santa Barbara, through the Public Works Department, has coordinated with water purveyors throughout the County to conserve and protect our valuable water resources through the Regional Water Efficiency Program, and facilitates the securing of additional long-term supplies because the efficient use of our local water resources has always been a priority, not just in times of drought and water shortage;

NOW, THEREFORE, BE IT RESOLVED AND HEREBY ORDERED that the County of Santa Barbara, Board of Supervisors, State of California, proclaims May 2024 as Water Awareness Month in Santa Barbara County, and encourages all residents to learn about their water resources and the importance of efficient water use, and to join in supporting local water agencies and organizations in their effort to be "Water-wise in Santa Barbara County," rain or shine.

PASSED AND ADOPTED by the Board Supervisors of the County of Santa Barbara, State of California, this 23rd day of April 2024, by unanimous vote of all members present.
