**Recommended Actions:**

Acting as the Board of Supervisors:

- a) Subject to recordation of the Parcel Map No. 14,697, accept on behalf of the public and authorize the Clerk of the Board to endorse Parcel Map No. 14,697 accepting the offers of dedication as follows:
  - i) Easements for Public Utility purposes as shown thereon; and
- b) Determine that, pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15162, no new effects will occur and no new mitigation measures would be required as a result of the recommended actions because there are no substantial changes proposed, no substantial changes in circumstances, and no new information of substantial importance regarding environmental effects of the project or of the sufficiency or feasibility of mitigation measures, and therefore the recommended actions are within the scope of the environmental review documents for this project [Final Mitigated Negative Declaration (08NGD-00000-00006) approved and adopted by the Montecito Planning Commission on June 18, 2008] and no new environmental document shall be prepared for this project.

**Summary Text:**

This item is on the agenda in order to accept Public Utility easement dedications per said map.

Parcel Map No. 14,697 (County Assessor Parcel Number 009-294-002) is located at 75 Olive Mill Road, in the Montecito area, First Supervisorial District. The County Surveyor has reviewed Parcel Map No. 14,697 prior to its recordation and is satisfied that the Parcel Map is technically correct, is substantially the same as and conforms to the approved Tentative Map and any approved alterations thereto, and complies with all applicable laws and regulations.

The County Surveyor has received written notice from all Public Utility agencies that imposed conditions of approval on the subdivision for Parcel Map No. 14,697, certifying that their requirements have been satisfied. The County Surveyor has also received written notice from the Clerk of the Board that the payment of real property taxes has been made and deposited with the Clerk of the Board prior to recordation.

After the Clerk of the Board of Supervisors endorses its acceptance of the offers of dedication for easements noted thereon, the County Surveyor will deliver the Parcel Map to the County Recorder for recordation.

Consummation of the acceptance of Public Utility easement dedications to the County of Santa Barbara is subject to recordation of the Parcel Map.

**Background:**

At its regularly scheduled meeting on June 18, 2008, the Montecito Planning Commission met and approved Parcel Map No. 14,697 and adopted Final Mitigate Negative Declaration 08NGD-00000-00006 for the subject project, which can be found at:

Under California Environmental Quality Act (CEQA) Guidelines Section 15162, since the recommended actions do not exceed the scope of previously conducted environmental review documents, including the final Mitigated Negative Declaration (08NGD-000000-00006) adopted June 18, 2008 no subsequent environmental document is required. Here, no substantial changes are proposed in the project and no substantial changes will occur with respect to the circumstances under which the project is undertaken. Furthermore, no new information of substantial importance has come to light regarding environmental effects of the project or of the sufficiency or feasibility of mitigation measures. Consequently, the recommended actions are within the scope of the project covered by the environmental review documents adopted by the County Board of Supervisors.

**Fiscal and Facilities Impacts:**

None.

**Fiscal Analysis:**

None.
